October 18 and 19, 1993

THEME: "A Time To Remember"

(NOTE FROM THE CLERK: Reports are not printed in the Proceedings. The reports are placed in this Annual immediately following the proceedings.)

1. The 200th Annual Session of the Flat River Baptist Association was called to order by Rev. Sam Z. Brewer, moderator, on Monday, October 18, 1993, at 4:00 pm. The host church for the afternoon and evening sessions on this day was Peace's Chapel Baptist Church. Rev. Brewer is pastor of Tungsten Baptist Church.

An interesting note — several messengers and visitors attending this 200th Anniversary Session of FRBA wore old fashioned clothes.

2. This Bicentennial Celebration began with a parade of flags from each church in the Flat River Baptist Association and a roll call of churches according to the organizational year of each church. The clerk, Mrs. James E. (Gerald Rene H.) Frazier, called

the roll. Flag bearers were from the respective churches and the flags had been designed and made by each church. Every church plus the Hispanic mission church were present for this session.

3. Devotional Period:
   A. Hymn: "Praise Him! Praise Him!" Mrs. Jane Sadler, music director of the host church, directed the music for today's session. Pianist was Mrs. Kaye Raynor and organist was Mrs. Virginia Preddy, both from the host church.
   B. Scripture, 2 Peter 3:1-4, 8-9, was read by Rev. Tommy Robertson, pastor, Pleasant Grove Baptist Church, and former FRBA moderator (Oct. 1983-Oct. 1985).

This budget totals $93,867, an increase of $4,834 over the previous year. As per our Constitution, the Budget was presented at the July General Board meeting and approved.

12. A theme interpretation (A Time To Remember) was given by Mrs. Mertie B. Davis, former FRBA Promotional director (Jan. 1957-Oct. 1959), and now member of the Bullock Church. (Copy of this interpretation is in a section entitled "Special Messages for the 1993 Annual Meeting" and located following the Report Section.)

Flat River Baptist Association

Report made for Annual Meeting Oct. 18-19, 1993

No. 4

Budget Promotion, 1993-94

FLAT RIVER BAPTIST ASSOCIATION

We want to thank all the churches for the financial support given to the association this past year. There was an increase in contributions of $8,003.00 which made it possible to support the ministries of the association and finish the year in the black.

The 1993-94 Budget was adopted in July at the General Board meeting and totals $93,867.00. That is an increase of $4,834.00 over our 1992-93 Budget. It is a challenging budget and will take every church doing its part to support this budget. The best way to do that is for each church to give to the association on a percentage basis. Our committee recommends that each church give four percent of undesignated offerings to associational missions. If you can't start at four percent, start at two or three percent and move up gradually each year.

The Association has begun new ministries on faith to do together what no one church can do by itself which involves churches in varied mission ministries. They are as varied as services at the lake for campers to preaching the Gospel to Spanish-speaking people in our area.

God has blessed our efforts as many people have accepted Christ as Saviour and many of our members have experienced the joy of "hands on" involvement in missions. We thank you again for your support and ask that you pray for our shared ministries and our churches.

Respectfully submitted,
The FRBA Finance Committee
Ray Huff, committee member, 1992-93

V. DIRECT MISSIONS MINISTRIES - There are many people in need of special ministry in our area. No one church can minister to all of their needs. Auditor's Report

This is addressed to the Board of Directors of the Flat River Baptist Association. We have reviewed the accompanying Statement of Cash Receipts and Disbursements of the General Board, Designated Funds, the CCM/WMU Fund, and Edwards Fund of the Flat River Baptist Association, a non-profit organization) for the years ended September 30, 1993 and 1992, in accordance with standards established by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of the Flat River Baptist Association.

The Association's policy is to prepare its financial statements on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than generally accepted accounting principles. Consequently, certain revenues are recognized when received rather than when earned, and certain expenses and purchases of assets are recognized when cash is disbursed rather than when the obligation is incurred.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with the cash basis of accounting, as described in the preceding paragraph.

Choplin, Hoyle, Winston & Williams, C.P.A.'S

(NOTE BY CLERK: A statement of cash receipts and disbursements prepared by the above accountant firm is in a bound copy and contains thirteen pages is on file in the office of the Flat River Baptist Association, Inc. A copy has been filed with the FRBA Treas. Reports/Records also. Any interested party may come by and see this copy.)

Report of N.C. Baptist Retirement Homes

The Baptist Retirement Homes, Inc. of North Carolina realize that among the states in the United States, North Carolina is number ten in regard to the size of its adult population over the age of sixty-five. The fastest growing segment of North Carolina Baptist life is composed of adults eighty-five and older and by the year 2,000 this age category will double in size.

So we see, that one of the greatest needs facing our convention is to provide affordable quality long term care by expanding existing long term care facilities and adding rural home health services, community day care programs and respite programs for homebound care providers.

In an attempt to meet some of these needs, Baptist Retirement Homes of North Carolina, this year (1993), opened the Rickman Nursing Care Center in Asheville, N.C. (1 100-bed medicaid certified nursing care facility), renovated the Albemarle Baptist Home (renamed Taylor House) and developed a new addition to the Brookridge Health Care Unit in Winston-Salem dealing with residents suffering from dementia.

The Homes are aware that without the support of North Carolina Baptists, none of the above would have been possible.

Continue to support the Homes through the Cooperative Program and the North Carolina Offering for Older Adults so they may continue to offer hope to many adults whose future might seem uncertain.

Pray and give to make life for many adults "The Best of Times."

Mrs. Pender Woodlief

Christian Higher Education Report, 1993

Campbell University, Chowan College, Gardner-Webb University, Mars Hill College, Meredith College, Wingate College and Wake Forest University...the roll call of Baptist colleges and universities in North Carolina is an impressive one. Equally impressive is the statistical information compiled by these institutions for the 1992 academic year. A total of 20,495 students were served at our Baptist colleges during the year with 3,789 graduates. These students were the recipients of excellent educational opportunities through the efforts of 1,245 faculty and 169 administrative staff. Although most students were involved in general liberal arts education curriculum, a total of 414 students were directly involved in church related vocational studies. Many of these students will go on to Christian service full time within the local Baptist churches in North Carolina, throughout the United States and indeed throughout the world. During 1992, students received a total of $24,627,441 in financial aid and of this amount, $9,030,545 was institution funded (these figures do not include Wake University). Part of this funding is a result of the support offered through the local Baptist churches in North Carolina and translates into students who might not otherwise be able to attend, receiving a Christian based higher education.

Your Baptist colleges and universities continue to need our prayers and support...not only our financial support but also the referral of youth to these institutions so that they might explore the rich and varied educational programs available to them. Through the education available at Baptist schools, one can pursue a career as a lawyer, pharmacist, doctor, teacher, business professional, church vocation professional or a variety of other career choices. Perhaps most important is that the student will enter their chosen profession with a strong Christian based education.

Lenny Rogers

Evangelism Council Report

The past year has been one of transition for the Flat River Baptist Association Evangelism Council. Although the Council was in transition, we had the privilege to have Dr. T.W. Hunt lead a prayer conference in January. For several months, the Council has been working on an area-wide crusade. While it was the Council's desire to have Rick Gage come and do such a crusade in March, 1994, we have decided to postpone such a crusade.

During the Spring of 1994, the Council will be encouraging the churches in our Association to participate in a simultaneous revival effort with other churches in the Southern Baptist Convention. We ask for your prayer support as we seek to serve during the next year.

The Evangelism Council makes the following motions as part of the Evangelism Committee report: 1) that each church of the Flat River Baptist Association (FRBA) schedule harvest revivals at their church between March 12 and September 30, 1995; 2) that each church ask its members to participate in observing "Witness Lifestyle Commitment Sunday"; and 3) that each church of the FRBA participate in a simultaneous soul-winning commitment for sixty days. Those days are January 9-March 9, 1995.

Respectfully submitted,
Kenneth L. Cavey, director
FRBA Evangelism Council

The *Biblical Recorder* Report

The only thing that is unchangeable is change itself! For most of us it is impossible to comprehend the radical and often destructive changes which are taking place in our world. In politics, morals, economics and church life, our Baptist world is faced with decisions and issues without equal.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose. Never was the *Recorder* more needed than now.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved and disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The *Recorder* focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS (Church News Service), contact: *The Biblical Recorder*; 232 West Millbrook Rd., Raleigh NC 27609; (919) 847-2127.

Damascus Home Update

(Formerly called HALFWAY HOUSE)

Action taken at the November, 1992 annual meeting of the Baptist State Convention of North Carolina was that the Convention would contribute $40,000.00 on a matching basis for a Halfway House to be established by the Flat River Baptist Association. In light of this, a recommendation was approved by the FRBA General Board in its January 19, 1993 meeting to endorse this project under the guidance of a Board of Directors. This Board of Directors to be appointed later and would consist of at least 75% of the Board members be from the Flat River Association.

This Halfway House project would minister to those who have been involved in substance abuse.

A Board of Directors was elected as follows: Rev. Don Brown, pastor of Creedmoor First Baptist Church, as chairman; Rev. Stephen Brock-Loftis, pastor, Island Creek Church; Mrs. Sandra Forsythe, Olive Grove Church; Mrs. Virginia Tuck, Amis Chapel Church; Mr. Hugh Currin, Sr., Oxford Baptist Church; Mrs. Ann Woodlief, Dexter Church; Mr. Willis Herman, Fellowship Church; Dr. Ted Stone of Durham, N.C.; and Dr. Tammy Stall of Oxford, N.C. Ex-officio members would be Rev. Steve Sumerel of the Baptist State Convention of North Carolina; Rev. Sam Brewer, 1992-93 Moderator of Flat River Baptist Association; and Rev. Bob Wainwright, director of missions, FRBA.

The Board of Directors met and decided to name this project FRBA Damascus Home. Also, this Board would have responsibility to develop policies, prepare a budget and recommend a means of providing financial support for the ministry.

A proposed budget, along with admission policies, rules and regulations for the home were made available to pastors in the Flat River Association for review.

It is hoped that a house for this ministry would be identified sometime in November, 1993. Action had previously been taken by the FRBA General Board to use upstairs and present kitchen area at the associational building for this ministry but permission was not granted for this location because of Oxford Zoning Board's decision.

Some over $8,000.00 has been contributed to this project and funds continue to be received from churches and individuals.

Respectfully submitted,
Rev. Don Brown, Chairman
Damascus Home Board of Directors

Home Mission Report for 1993

The purpose of Home Missions is to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

The Home Mission Board, headquartered in Atlanta, Georgia, is a missionary-sending agency of the Southern Baptist Convention. One hundred percent of the annual Annie Armstrong Easter Offering goes to support the work of home missionaries in the field. About 36 percent of the HMB's income comes from the denomination's Cooperative Program.

At the end of last year, 4,868 missions personnel were serving in the United States, the Caribbean, American Samoa, and Canada. The HMB also had endorsed more than 2,200 chaplains who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. More than 2,400 Mission Service Corps volunteers were serving on home mission fields. During the year there were 367,847 baptisms and 1,281 church starts.

In the *1992 FRBA Annual* (Uniform Church Letter report), the FRBA 33 churches reported giving $55,017. From the 1993 UCL report, this same number of churches reported giving $44,471 which is down $10,546 from the previous report. These figures are just those for Home Missions giving and including the Annie Armstrong Easter Offering also.

There were several churches from the Flat River Association reporting they were involved in Home Mission activities this past year—Mountain Creek, Butner First, and Pleasant Grove. There probably were more but no report was known.

Respectfully submitted,
Mrs. Julia M. Thompson

Foreign Missions Report, 1992-93

Jerry A. Rankin was elected as the 10th president of the Foreign Missions Board, SBC in 1993. This action ended a 14-month search for a successor to R. Keith Parks. Before coming as president, Rankin was director for Southern Asia and the Pacific, and has served on the mission field for 23 years. Serving in the interim period was Don Kammerdiener, executive vice president, FMB.

The final tally of the 1992 Lottie Moon Christmas Offering for Foreign Missions was $80,980,881, a decrease of $378,000 from 1991. We are challenged to give more and work harder to reach our LMCO national goal of $85 million.

At the end of August, 1992, we had 3,953 missionary personnel under appointment. Our personnel department indicates they are working with 2,962 active files of candidates who have expressed interest in missionary service. In a letter dated October 14, 1993 from Jerry Rankin, president of FMB, to directors of missions, stated "As God continues to call out personnel to serve with the FMB, we are confident we will soon surpass 4,000 missionaries and can reach our goal of 5,000 by the end of the century."

Pastors say missionary speakers have a positive effect on church attitudes about missions and to generate interest among church members in receiving more missions prayer materials. Lottie Moon Christmas Offering goals were met in most churches where missionaries spoke. Churches wishing to contact missionary speakers may call the FMB's Public Affairs Office toll-free at 1-800-866-FMB1. Honorariums for missionary speakers are not required, but a church should be prepared to cover the missionary's travel and lodging expenses, as the FMB does not reimburse missionaries for these.

Aside from reporting from figures, may we be reminded of personal stories: Ken and Beth Perkins who share food and spiritual hope in Christ with the people in drought-ravaged and war-torn Somalia; the many breakthroughs in Eastern Europe and the former Soviet Union; and the 42,000 professions of faith reported among the Maasai in Kenya last year. Many other interesting reports are in the monthly *Pastors Update* sent to pastors and we would encourage you to use information from this source in church bulletins/newsletters.

Our churches have a part in all that God is doing through the faithful support of the Foreign Mission Board as Southern Baptists' channel for reaching a lost world. We are grateful to be partners in fulfilling the Great Commission.

Respectfully submitted,
Mrs. Jannie Preddy, FMB rep. for FRBA

State Missions Emphasis/Offering Report

State Missions Offering? What is it? Why should we support it? The annual State Missions Offering provides essential basic support for a variety of North Carolina missions and ministries, including some of the most familiar and popular programs of work across the state. For example: 47% of the Missions Division's Program budget comes from the State Missions Offering; 50% of N.C. Baptist Men's (Brotherhood) program budget comes from the State Missions Offering; 88% of WMU's entire program budget comes from State Missions Offering and 44% of the Youth and Campus Ministries Division program budget comes from State Missions Offering.

State Missions provides scholarships for Baptist students attending one of the convention's colleges or universities.

Baptist associations receive direct assistance from the State Missions Offering. Each association is given an amount equal to ten percent of the offering collected in that association.

The State Missions Offering also provides financial support for Fruitland Baptist Bible Institute and the North Carolina Christian Action League.

The 1993 State Missions Offering goal is $1.8 Million. When we fail to reach that goal (last year we only collected three fourths of that amount), direct mission programs are simply not funded.

The State Missions Offering provides many other ways in supporting the ministries of our association and state.

In supporting the State Missions Offering, we find that it is not merely in an extra budget item or money spent in programs unable to be funded by the Cooperative Program. The State Missions Offering supports essential ministries and without it, many state Baptist ministries simply will no longer exist.

Please support these ministries with your prayers and financial support. State Missions Offering will help and give us *Hope* for the future. Let's remember. . . . "Whatever you did for one of the least of these..you did for me." Matthew 25:40.

Respectfully submitted,
Mrs. F.E. White, Jr.

1993 Delaware Mission Team Report

The week of July 11-17, 1993, ten youth and two adult leaders representing several churches in the Flat River Baptist Association went again to the London Village Chapel in Magnolia, Delaware. Members of the 1993 Delaware Mission Team were: Michael McGarr, Concord Church; Suzanne Elliott, Melanie Parham and Beth Rhoden, Christy Spencer and David Wilkins, Delrayno Church; Kellie Woodlief, Enon Church; Amy Chandler, Island Creek Church; William Coley and Adrianne Parham, Stovall Church. Team leaders were Ken and Bridget Cavey, pastor and wife, Enon Baptist Church.

While in Delaware the team members were responsible each morning to assist in the Vacation Bible School classes held at London Village Chapel. We then led afternoon Backyard Bible Clubs in the surrounding community. These Backyard Bible Clubs consisted of games, crafts and Bible stories. Much of our time though was also spent giving love and attention to many different children and even some parents who were looking for someone to show them love. What a joy and privilege it was to share our love with them but more importantly to share with them the love of Jesus Christ. Many of the children and adults live in very poor conditions, far different from those of our team members. This mission trip experience not only touched the lives of those in Delaware but also truly touched the lives of the team members.

Prior to working in Delaware the team also led Backyard Bible Clubs for the children of Mision Bautista Hermandad, ages preschool through sixth grade.

We would like to thank the churches of the Flat River Baptist Association for supporting this mission trip. Please pray for the future of this ministry and those who will participate. We also ask for your continued support of future teams as there are still many people left to reach.

Respectfully submitted,
Ken and Bridget Cavey

Hispanic Church Progress Report

There has been excellent progress at the Enon Road site. Initial landscape preparation is complete—trees and bushes have been thinned to open access to the property. The well has been drilled and the pump installed resulting in a more than adequate supply of fresh water. Initial grading has been completed to allow further construction efforts. Footings have been dug, forms constructed, under-floor plumbing installed and the area has received termite pre-treatment. We are now ready to pour the slab for the building, which is scheduled for the 30th of October, 1993. Framing and septic system work will be next on the agenda.

As of October 1, $45,180 has been raised for this project. We have spent $4,724 leaving a balance of $40,456. Contributions have been received from 25 of the churches in the association, as well as from Mission Bautista Hermandad. We have also received contributions from fifteen other groups and individuals. While this is very laudable, it is significant to note that we have yet received contributions from eight of our churches—approximately 25% of the association.

We've made good progress thanks to unselfish help from numerous volunteers working many hours since we began this project. Expenditures have been kept to a minimum thanks to gracious Christian assistance from the following professional people: Donnie Cowart, Jim Cross, Rat Dean, Jim Goldston, Craig Husketh, Bill and Bradley Jones, Gary Joe Jones, Charlie Loyd, William Peace, Jim Wilson and WRAL radio station.

We continue to request funding and volunteer work to allow us to finish construction of this vital outreach mission project in the early part of 1994.

Respectfully submitted,

Hispanic Ministry Report, 1992-93

This has been a good year and we appreciate so much all the assistance we have received as we have ministered together.

We continue to meet at the Fellowship Baptist Church for worship service on Sundays and for Bible study on Wednesdays. This past Sunday, October 17th, we had 130 in attendance. Praise the Lord! We have averaged 75 for worship services and 25 for Bible study during the past year.

The migrant days' activities were well attended as the group came together for recreation, food, fellowship and a time of worship.

Several of our guys have worked at the Hispanic Mission church site on Enon Road on the various work days and several ladies have prepared and served food to those who had been working.

Thanks again for all your support.

Church and Community Ministries Report

This last year has been full of all sorts of activities. We have provided birthday gifts for residents at C.A. Dillon School and those in various cottages at Oxford Orphanage each month. The C.A. Dillon School Youth Retreat was a big success, thanks to all for their support. Thanks to all who donated personal items, magazines, clothes and other items for the Butner ministries.

Saying thanks to so many people who have given their time and help to these ministries seems so inadequate. First, I'd like to thank Oxford Baptist Church for the use of the building for the CCM Hut; to Bill Hobgood for all the work he did to remodel the building; to Jack Bowman for all the help he gave in many areas; to Kenneth Adcock of Adcock Business Machines for the office desk; to Wal-Mart Store and their associates for the telephone and all the hard work they did with us toward our fund-raising projects; to Eloise Newton for the post office box; to every church in the association for their prayers, hard work and financial support; to all the friends who came to help move, sort and organize the CCM Hut; to the ladies from Oxford Church for drapery material. We have

formed a CCM Advisory Council. Members are Trudy Williams, Edith Whitt, Eloise Newton, Jack Bowman, Bill Hobgood, Helen Davenport, Doris West, Sam Brewer and myself.

Christmas Ministries - we provided 1,045 people with Christmas gifts in 1992. These included the toy ministry, students at C.A. Dillon, patients at John Umstead and Murdoch Center from Granville County, Umstead Prison, Granville Correctional Center, and A.D.A.T.C. residents for their children who visited on Christmas Day. We made 200 Christmas wreaths and ornaments for John Umstead. The WMU members painted about 600 sweatshirts for C.T.M. and collected 300 bottles of shampoo for the State Women's Prison. A wonderful job was done this year, let's make it even better this coming year.

Director of Missions Report

The Flat River Baptist Association shall serve as a group of Baptist Churches in a voluntary relationship for the purpose of strengthening and extending the ministry of Christ through these churches. This is our stated purpose now. The purpose as stated by the early settlers is not too different: "to raise the Redeemer's standard and propagate the glorious Gospel of the Blessed God."

The things that are emphasized over and over in the reports from early associational meetings are times of fellowship, inspiration and encouragement. According to Robert Devin, in his *History of Grassy Creek Baptist Church Until 1880,* it was like this: "These religious exercises and thrilling narrations were well adapted to inflame the hearts of the brethren with holy zeal, and urge them forward with renewed energy in their self-denying labors for the glory of God and salvation of sinners."

Our forefathers knew and believed what Isaiah said in Chapter 41, verses 9-10.

They believed that God called them to be his servants. They overcame all kinds of difficult obstacles to follow Him and proclaim the Gospel. We have such conveniences today that we can't imagine how they accomplished all that they did. No telephones, no cars, no copy machines, no electrical power, no sound systems or video tapes, etc. How did they do it? They were faithful and we must be faithful too.

They were faithful because God told them that He was their God, not to fear, that He would uphold them with His strong right hand. They believed that He would uphold them in the task He had given them to do, that He would be with them.

You have been hearing in the reports and the messages yesterday and today the tasks, the ministries, He has given us to do. They are varied and many, as together through the Association we seek to meet the needs around us here, in our state, our nation and our world. There are five new areas of ministry that have begun this year. They are the Damascus Home, construction of the Hispanic Church building, Family Counseling Service, Singles ministry, and the Rest Stop Ministry. They are varied, but God has laid these needs on the hearts of His people and many have responded.

These ministries are not pipe dreams that your Director of Missions or other leaders have thought up, but they come out of real needs. Some people feel that we are trying to do too much too fast. All of these ministries have been studied and planned by leaders in the association and approved by representatives from the churches at our General Board

meetings and our annual meetings. We feel that God is leading in these ministries. The danger is that we will move too slowly, rather than too fast.

We need to give greater emphasis to evangelism here in the association. Our reports show that we are losing ground on winning the lost. The population is growing faster than our church membership. Evangelism must be done on the local church level, but it has been shown that we can encourage and inspire each other when we work together in area crusades and simultaneous revivals. We are more effective when we join together in this effort to pray, to train, and to witness.

Involvement in missions and ministries is another way of saying evangelism. We are doing a lot together in reaching out through our association with Church and Community Missions, Toy Ministry, Hispanic Ministry, Resort Ministry, Youth Mission Teams and Overseas Mission Projects. But in each of these areas, there are needs that are left unmet, where ministries need to be expanded. If we are to meet these needs more people must respond to the challenge to use the gifts God has given them to serve Him. God has someone who is capable of doing every ministry that needs to be done if His people will respond.

It has been my happy privilege on many occasions to hear people who have been involved in a ministry, express thanks to God for the blessing it had brought to them. They are overcome with joy that something they didn't think they could do, or wanted to do, had been a blessing to them. Many more people are needed to do the ministries and mission projects that we are now involved in, and others that God has yet to reveal to us. Consider your gifts and what God would have you do.

I want to thank you for your kind and generous expressions of appreciation that you gave Betty and me yesterday. I am grateful for the opportunity to serve you and to share in the ministries that we do together.

I also want to say a special word of thanks to those I have the privilege of serving with—Gerald Rene Frazier, Virginia Tuck and Paul Flores, our associational staff. Also, to those elected officers and leaders who are volunteers who give so much of their time and talents, I am deeply grateful.

I pray that we will be open to God's leadership as we celebrate our 200th Anniversary, looking toward the future. It is exciting to see what God has for us yet to do.

Respectfully submitted,
Robert H. (Bob) Wainwright

Report of the 200th Anniversary Committee

Thanks to everyone who has helped our Flat River 200th Anniversary Committee implement the plans that have been a part of our 200th Anniversary celebration thus far.

Our Anniversary Committee is composed of Eula Averette- Pleasant Grove Chr.; Betty Pucket - Peace's Chapel; Violet Coats - Mountain Creek; Jerry Timberlake - Grassy Creek; Lib Currin - Oxford; Tommy Averette - Pleasant Grove and immediate past moderator; Sam Brewer - Tungsten and present moderator; Bob Wainwright, DOM; and myself as clerk. We do not have a chairperson as per se but I think we have worked together as a team very well and look forward to continuing with our celebration plans. Our subcommittees have been and will be appointed as we need them.

Aren't the flags beautiful? Much hard work went into each and it would be interesting to hear the story of each one and we may decide later on how this can be done. Someone has suggested that each church take a picture of the flag and give the picture to the associational office to be displayed. That's a good suggestion.

May I remind each church to participate in the displays at the R. H. Thornton Library in Oxford. The association has a display there for the month of October. Beginning in November and continuing through next September, three churches each month will have a display. A schedule has been worked out and if you don't know when your church is due, call us. Watch the associational monthly newsletter. We're trying to remind churches a month ahead of the time for their display. Be sure to use your church flag in your display.

Also, be sure to set up your display in your individual church the month after your display at the Library. Mr. Wainwright has worked out his church visitation schedule for next year and is asking the pastors to give him a time on the order of service to give special emphasis to our 200th Anniversary and the part your church has had in its' history. A letter will be going out soon on this schedule.

Other times we're suggesting to use the flags are at our Baptist Men/Baptist Women Banquet on January 21, 1994 in the Civic Center at Vance-Granville Community Col-

lege. Also, at the associational WMU Spring meeting on March 29th at the Hester Church; at the pig picking and drama on May 14, 1994 at the North Granville Middle School. Prior to the drama, there will be a pig picking and information on tickets and how each church can assist in this special event will be sent out later. This is where we'll need many subcommittees - so don't turn us down.

Of course, next year at our annual meeting, October 17 and 18, 1994, we will use the flags again as we meet with the Grassy Creek and Creedmoor First Baptist Churches. As various associational events are planned, we will be suggesting use of the church flags.

Thanks again and let the celebration continue!

Respectfully submitted,
Mrs. Gerald Rene H. Frazier

Necessary permits for zoning, building, the initial electrical, insulation and septic work are in hand.

Additional information - Rev. Don Brown stated that a letter had been sent to each pastor on the status of the Damascus Home (Halfway House). In view of the Zoning Board's decision to not grant permission for the location to be upstairs at the associational building, he further stated that the Board of Directors were presently looking at an alternate location and that the funds from the Bapt. Sunday School Report

The Sunday School theme for 1993-94 is "Breakthrough-Serve To Win." So that they can do their part, the ASSISTeam attended workshops in February at Cary.

Then in order to train FRBA Sunday School workers, two workshops were set up to teach the book for each group. The title of the book is "Ideas for Reaching (age groups)."

We need to realize that all the other programs in a church or association depend upon its' knowledge of the Bible. Therefore, we are endeavoring to have the best trained teachers and most informed Sunday School members anywhere. To help our people, the associational training schools dates are set. The Southern part of the association met Sept. 28th at Creedmoor First and the Northern part met Oct. 5th at Oxford Baptist.

At the State VBS Clinic our association was presented a certificate of achievement for having the most churches reporting their VBS. Then all the churches that had VBS seem to have more people enrolling and attending. With major changes coming in the VBS curriculum, our association will hold a training session for pastors, Sunday School directors, and VBS directors and any interested persons on November 9th at Oxford Baptist at 7:00 p.m.

There are two groups of dedicated Christians giving leadership to our association for God's glory. They are the people who compose the ASSISTeam and the FRBA Vacation Bible School Team. When you see one of these folk, express your thanks to them for their dedication. The ASSISTeam was Bob Wainwright, dom; Bob Baynard, dir.; Steve Timberlake, adults; Dan Baird, youth; Kim Tilley and Donna Slaughter, children; Everlee Hall and Joyce Parrott, preschool; and Lin Womble, special education. The VBS team was Bob Baynard, general officers; Bob Wainwright, dom; Ken and Bridget Cavey, backyard Bible clubs; Dan Tilley, adults; Dana Gassaway, youth; Kim Tilley, Faye Cannady, and Debbie Cross, children; Everlee Hall and Brink Reynolds, preschool.

Discipleship Training Report

Discipleship Training leads to church growth because it equips church members for personal growth and Christian life-style development. There are some responsibilities all Christians must assume, which include witnessing, praying, Bible reading, giving, and building a strong family. Discipleship Training focuses on these issues. Discipleship Training also enables people to develop personal ministry skills.

Discipleship Training is not so much a program you implement as it is a growth process you maintain.

Churches of the FRBA that provide opportunities for discipleship training are carrying out the Great Commission as we are commanded to "go and make disciples."

Associational Tournaments were held April 4, 1993 at Providence Church with children participating in the Children's Bible Drill and youth participating in the Youth Bible Drill and Speakers' Tournament. Four churches had participants. They were Mountain Creek, Poplar Creek, Providence, and Tungsten. All four churches had state winners in the state drills this year. Some changes are being made in the drills and a training session for leaders will be conducted in our association to update leaders on new rules and guidelines. We congratulate our young people who are training in skills in the use of God's Word.

We had a team of associational Discipleship Training leaders who have been elected to serve for the coming year to attend the State conference for team members. The new team members are: Rev. Stephen Brock-Loftis, director; Mrs. Patsy Adcock, tournament leader; Mr. Dan Baird, Adult leader; Rev. Lee Coyle, Youth leader; and Mrs. Rosa Overton, Children's leader.

Every church in FRBA will benefit from planning and conducting discipleship training activities to meet the needs of your church and individual members.

Respectfully submitted,

Report of Woman's Missionary Union

Our WMU theme in 1992-93 was "Lead On." Our watchword taken from Joshua 1:6 reminds us to be determined and confident. We are to seek the Lord's guidance and depend on His strength to lead us in our mission study, action, support and personal witnessing. The Lord has called each of us as Christians to lead with the hearts of loyal servants.

This year we have tried to develop our skills through our associational leadership conferences. We encouraged seeking God's will through our prayer retreats, weeks of prayer and personal-witness workshops.

The foreign and home mission studies held made us aware of the needs of the lost world around us, and how our prayers, gifts and involvement is needed more now than ever.

Our mission action workshops and projects gave us opportunities to help others outside our churches, such as through the NC Women's Prison, Butner institutions, Christmas toy ministry, Hispanic mission and local nursing homes.

Our Baptist Men/Baptist Women Banquet, Acteens and Baptist Young Women's Banquets gave us a chance to share a meal and hear from missionaries and other Christian

leaders. The special offering taken and Bible centerpieces were used in other mission projects.

Through Girls In Action Day Camp and Mission Friends Day, our children were able to meet missionaries and take part in hands-on mission action projects. This year we helped sponsor the out-reach team from Campbell University.

I am happy to report that we have 32 churches with some Woman's Missionary Union work, but our Baptist Student Union work at Vance-Granville Community College no longer meets due to lack of interest. Please pray for our leaders there.

God has blessed us this year and may we continue to be found faithful.

Respectfully submitted,
Mrs. Wanda Temple

Brotherhood Report

The Brotherhood organization includes RA's, High School Baptist Young Men, Baptist Young Men and Baptist Men. The five basic tasks of Brotherhood are (1) Engage in mission activities; (2) Teach missions; (3) Pray for and give to missions; (4) Develop personal ministry; and (5) Interpret and undergird the work of the church and denomination. Our goal is to help each church get their men and boys to carry out these five basic tasks.

We have three major events to help accomplish these tasks. The RA Car Competition and Mission Fair Contest held Feb. 27 was well attended with nine churches participating. The RA Conclave held May 29-30 was a success with the boys learning skills in different areas of RA work. We had 11 churches with 62 boys in the RA Track Meet held April 24 at J.F. Webb High School.

One of the highlights each year is the annual Baptist Men/Women Banquet in January. This past year we had about 450 attending. Because of space limitations we will be meeting at the Vance-Granville Community College Civic Center in January, 1994.

The associational Baptist Men, with help from the WMU, sponsored our first Rest Stop Ministry on Labor Day weekend. We had 14 teams working three-hour shifts serving soft drinks and coffee to travelers who stopped. This was a great time to show love for our fellowman and for Christ. There were about 75-80 people helping in this endeavor. We thank each of you for giving your time and financial support for this project.

The associational Baptist Men sponsored three migrant days this year with good attendance each Sunday. We hope Bapt. Men volunteers will do a lot of work on the Hispanic Mission church building to cut the cost of building.

Last January we had a group of people go to Florida to help clean up and rebuild after Hurricane Andrew. This was a great opportunity to show Christian love for people who were hurting. In 1994 N.C. Bapt. Men and N.C. WMU and the Home Mission Board will be sponsoring a project called "Hope for Hurting Humanity." This is an effort to involve all N.C. Baptist churches in a ministry project in their community in 1994. Each church can pick one or two of about 29 projects that suits them best.

We thank all of you for your help in the different ministries we try to carry out in our Association. Pray for us as we try to carry on the Lord's work in the Flat River Baptist Association.

Respectfully submitted,
George S. Gresham

Senior Adult Report

The Senior Adult Ministry of the Flat River Baptist Association has, as always, had a very successful year.

The November 12th meeting was held at Creedmoor First Bapt. Chr. with 69 attending. Twelve churches were represented with six pastors present. The program consisted of games and Santa made an appearance. Each senior adult brought a toy for the FRBA Christmas Toy Ministry.

The February 18th meeting was held at Providence Bapt. Chr. with 87 attending. Thirteen churches were represented with seven pastors present. Norma Leigh Critcher of the Tabbs Creek Church entertained with music and song. Sam Brewer, FRBA moderator, spoke to the group about the Hispanic mission and other things of interest to those present.

The May 13th meeting was held at Fellowship Bapt. Chr. with 75 attending. Twelve churches were represented with four pastors present. Steve Freeman, a student at Southeastern Seminary in Wake Forest, presented a program of heart-warming testimony and music. Everyone present was moved by the presentation.

The August 12th meeting was held at Oxford Bapt. Chr. with 73 attending. Thirteen churches were represented with six pastors present. A video on the N.C. Baptist Foundation was shown and Mr. Dan Baird, minister of education/youth at Oxford Bapt. Chr., provided the entertainment.

This report is presented to the Glory of God and in loving memory of Mrs. Ethel Stokes who went to be with the Lord on July 12, 1993. Mrs. Stokes, along with her husband, Austin, gave many years of faithful service to the senior adult ministry of the Flat River Baptist Association.

Music Report, 1992-93

I am proud to report that every church in our association has an active music ministry. God has gifted many to serve in this area of ministry. Every person who serves as a leader or a layperson is important. Music is a cooperative effort in every church. As church musicians, we are challenged to make music an inspiring part of our worship services and an effective tool for witnessing.

Every director is reminded to refer to our monthly associational newsletter to find out about upcoming musical events, association-wide and statewide. All churches are encouraged to share their music materials with other churches in our association. This exchange is handled through the associational office. Through this exchange of music, we can have access to new music without the expense.

In closing, may I express my appreciation to all the church musicians who serve so faithfully in our association. May God continue to bless us as we glorify Him through worship and witness for him through song: Eloise C. Newton, Lynwoode Daniel, Janie Averette, Enon Church; Sarah Alford, Marilyn Mangum, Creedmoor First; Ruth Hicks, Ray Hicks, Pleasant Grove; Hazel Arnold, Marie Temple, Fellowship; Kathleen H. Family Counselor Study Committee

For two years our people have been anticipating the arrival of a Christian Family Counselor. On July 31, 1993 the dream of a pastoral counselor for our area came true with the signing of a contract between Counseling Services, Inc. of Durham, N.C. and the Association.

The Reverend David Franzen, Th.M., whose full-time ministry is Pastoral Counseling, has agreed to serve, on a one-day-a-week basis, as the Pastoral Counselor during the start-up phase of this ministry. Rev. Franzen brings to our area a forum wherein our neighbors can receive excellent Christian counseling in a confidential, nurturing and spiritual environment.

Rev. Franzen began seeing clients on October 14, 1993 in the Oxford Baptist Church. Included in his time with us is an informal gathering of the area clergy consultation group, giving the ministers of our area the opportunity to share concerns and needs for their respective ministries.

If you are interested in meeting Rev. Franzen, if you are in need of someone to listen to your hurts, etc., or if there is someone whom you would like to refer to Rev. Franzen,

please do not hesitate to give him a call. You can leave him a message on his confidential voicemail by dialing 919-603-1003. This is a new exchange in the Oxford area.

My thanks to each of the members of our committee, Teresa Bridges, Marilyn Howard, Robert Garrett and Jim McSwain.

Stewardship Report

Our churches in Flat River Association need to have a clearer understanding of the particular reponsibilities and opportunities that are ours in stewardship ministry. We need to seek God's leadership in stewardship for what to do and how to do it for a successful short term and long term ministry. The budgeting process brings the needs and plans for church world-wide ministries into clear focus. Then the resources of people and money are united in achievement.

Yes, the church's stewardship ministry is expressed in a large degree by its budget. Many factors related to the budget make a reflection on the church stewardship ministry, such as a budget that has good member involvement in its preparation, one that outlines the ministry of the church, one that is clearly presented to the members and one that challenges members to grow in giving. A church budget is a way members work together. One of the great benefits of the budget is the spirit of unity it will create. All parts of the church's work require financial resources. ''We are labourers together with God'' (1 Cor. 9), and the budget is the way we support the New Testament church mission.

A FRBA Stewardship Conference was conducted in May at the Oxford House Restaurant by Ken Batts, director of Planned Giving of N. C. Division of Stewardship. Mr. Batts presented a Stewardship emphasis for all size churches, and he shared resources for church leaders to use in leading churches to develop their own stewardship program.

The FRBA is a fellowship of churches ''labouring together with God,'' and we must be good stewards in fulfilling the Great Commission of our Lord. The Church must teach the Biblical message of stewardship. The church members' understanding of Biblical stewardship will determine how our churches manage all resources and support the Lord's work. We must all become involved in improving awareness and support of mission needs in our churches reaching out to others through our Flat River Association and the Cooperative Program.

Report of FRBA Property Committee

The FRBA Property Committee approved the use of the upstairs at the associational office for use as a halfway house for substance abusers. However, the city zoning board refused a request by the Damascus Home Board of directors to re-zone the property for such use.

The associational building has required only minor maintenance this year.

The Hispanic ministry van has required some repairs and two new tires. It continues to be a valuable asset to the ministry.

The associational van was used by fifteen churches for 51 trips carrying 630 passengers averaging twelve persons per trip for a total of 15,106 miles. There were ten associational trips with an average of ten persons per trip for a total of 5,018 miles. There have been some major repairs to engine components and the van is showing some wear as is natural at 92,381 miles. The committee will need to look at the need for replacing the van or making major repairs in the year ahead.

Resort Ministry Report

Our Resort Ministry at Hibernia Campground was initiated this year by the churches in Region 4 as they sponsored services at Rock Spring Baptist Church in June. The pastors at Rock Spring, Tungsten, Poplar Creek, Island Creek and Dexter led the services.

Gaylon Moss, a member at West Oxford Baptist Church and a student at Southwestern Seminary, served for ten weeks as our resort minister. He did promotion and coordination for the services which were held in the campground each Sunday morning during July and August. A film was shown on Saturday evenings to help promote the services.

Island Creek Baptist Men continue to sponsor and conduct services at Nut Bush Campground as they have for many years.

Baptist Student Union at Vance-Granville Community College

In cooperation with the Baptist State Convention, our association began a new project last year and made some very important strides. The project was the inception of a Baptist Student Union (BSU) on the campus of Vance-Granville Community College. Some of the accomplishments that were made are as follows: (A) A wonderful working relationship has been established with the VGCC administration; (B) We have access to a faculty administrator; (C) We conducted several meetings on campus, which featured interesting guests; and (D) Associational awareness of this ministry was raised.

We are not at the point where we need volunteers from our association to take what has been established and expand upon it. Some of the volunteer characteristics that would be helpful are as follows: (A) An interest in college-age people; a desire to be around them and spend time with them; (B) Experience in this type ministry would be helpful, but certainly not necessary. For example, have you (or any of your family members) ever been involved in a BSU? If so, this would be a wonderful opportunity to give back to others a portion of something that has been dear to you; (C) A schedule that would allow the volunteers to meet once a month (during the day), as well as the time to plan these

meetings and work out any other necessary details; and (D) The desire to develop an associational committee to support this and to keep the association as a whole informed of the progress of this program.

As we celebrate our 200th associational birthday by looking back and looking ahead, this would be a great way for you to provide a specific ministry for the next century. As volunteers you would enjoy several benefits, which would include: (A) The opportunity to work with an important age group at a very crucial time in their lives, as you help them to better relate to and articulate their Christian faith; (B) The opportunity to learn from excellent resources and materials; (C) The opportunity for continuing education; and (D) The opportunity to attend various conferences, conventions, and retreats.

All those interested in volunteering for this unique ministry should contact either Bob Wainwright (693-5215) or myself, Cam Ford (438-2490).

Report of Baptist Children's Homes of North Carolina

Baptist Children's Homes in 1992-93 served 1,453 children and their families through programs of intentionalized services at 13 facilities across North Carolina.

Those facilities include four residential care campuses; seven emergency care homes; two homes for behaviorally troubled girls; therapeutic camping for boys; a maternity home; a home for teen-age mothers and their babies and a model daycare facility.

Baptist churches, through the Thanksgiving Offering, Cooperative Program and direct gifts funded about one-third of BCH's $10 million budget. A significant source of income continues to be from estate gifts from those who remember children in their wills.

BCH's model daycare service took a giant step June 27 when the new $1 million, 10,000 sq. ft. Fleshman-Pratt Early Childhood Education Center was dedicated. It will accommodate 75 infants, toddlers and two-year olds.

BCH also dedicated a counselor's lodge at Cameron Boys Camp; completed a strategic planning cycle for the next three years; celebrated the 50th anniversary of Odum Home in Pembroke; completed a three-year partnership with the Baptist Children's Homes of Sao Paulo, Brazil; and produced a new video about BCH, available Aug. 15.

Michael C. Blackwell, who celebrated his 10th anniversary as president of BCH July 1, echoes that promise. "Baptist Children's Homes has been a cutting-edge ministry for North Carolina Baptists since 1885. As a disintegrating society moves the edges further and further, we're honing our ministry sharper and sharper. Thank you, North Carolina Baptists, for your support."

Personnel Committee Report

As a part of the Long Range Plan, the Personnel Committee was established and given the task of reviewing Flat River Baptist Association staff positions, responsibilities, and policies.

After several months of discussions and negotiations with associational staff and leadership, the Personnel Committee completed up-to-date job descriptions for all employees and submitted them to the General Board in the April 20, 1993 meeting.

In terms of expectations and clarity, the process has proven helpful to both the staff and the association. These job descriptions are on file in the associational office and copies may be requested. The Personnel Committee reports to the General Board of the Association and is empowered to deal with all staff related issues. People with questions or concerns related to staff or policy are encouraged to contact the committee chairperson.

Members of the 1992-93 Personnel Committee were: Rev. Tommy Robertson, Pleasant Grove Church; Rev. James Tyndall, Rock Spring; Mr. Ricky Floyd, Peace's Chapel; Mrs. Marion Powell, Sharon; Mrs. Dot Gupton, Mount Olivet; and myself, Steve Bolton, Oxford Church.

Christian Life Committee Report, 1993

Members of the FRBA Christian Life Committee, 1992-93 are: Sandra Forsythe, CHM., and from Olive Grove Church; Mark Adcock, Pleasant Grove; Hope C. Sigora, Delrayno; and Bob Barker, Tabbs Creek.

The Committee met and reviewed the associational 5-years goals. One of the first things brought to our attention was that our FRBA ministries lack a place for a Singles ministry. The committee composed a letter seeking assistance from all 33 churches in identifying the "Singles" between 20-50 yrs. old. In addition to identifying the "Singles" we inserted a "Skills Survey" that each church member was to complete and return to the associational office. The "Skills Survey" was to be used in identifying the skills available in the Association that would help the Association focus in on specific areas of ministry.

As a result of a fantastic response by our churches, a total of 225 singles have been identified in our FRBA churches and the number continues to grow. It was felt that the needs of the "Singles" are so different from married couples that they needed a "group" to call their own and to be able to identify with. They are at varying degrees in their life and there can be mini-workshops and sessions to address those needs. Some of the needs identified and received positive response were: a) Divorce Recovery; b) Budgeting money; c) Single Parenting; d) Building Positive Relationships; e) Bible studies; and there were others.

We had a "Singles Banquet" April 30, 1993 at West Oxford Baptist Church. Our guest speaker was Rev. Tome Harris from St. Marks United Methodist Church in Raleigh, entertainment was provided by the Harbor Masters from Creedmoor. A total of 53 Sin-

gles attended representing 11 of our 33 churches. The banquet was a great success and those attending had a great time of Christian fellowship and fun. Expenses for the banquet came to $340.00. This was to pay for our speaker and entertainment and all other expenses were covered by the cost of tickets.

A Singles Committee was formed in June, 1993: Cathy A. Blackwell, coordinator/planner; Betty Baynes; Larry Boyd; David Weldon; and Jennifer Howard. This committee will be working very closely with our associational office in planning their activities. So be sure to watch newsletters and relay the information to your church family.

The committee has a very positive and dynamic attitude for this ministry. An outing was held July 17th at Kerr Lake including boating, cook out, volley ball, devotion, and other fun activities. The committee has several excellent ideas that should appeal to all singles in varying degrees. Let's continue to pray for this new ministry as the need to belong is overwhelming.

The "Skills Survey" sent out has been slow coming in and if your church has not responded, please do so soon. These letters were sent out to all pastors and/or chairman of deacons.

Sandra Forsythe

North Carolina Baptist Foundation, Inc. Report, 1993

The North Carolina Baptist Foundation works diligently in service to Christ as directed by the agency's Mission Statement: "The NCBF is an agency of the Baptist State Convention of N.C. committed under the guidance of the Holy Spirit to serving North Carolina Baptists and others in generating an increased awareness of Christian estate stewardship principals as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis.

"And further, the Baptist Foundation staff and board of directors are committed to being scrupulously moral, legal, efficient and accurate in carrying out the intent of each donor and trustor whose funds are placed under management of the Foundation as a means of sustaining a tangible and perpetual involvement in presenting the Gospel, meeting human needs and strengthening all bodies of Christian fellowship where Christ is the Head."

The total market value of the assets of the Foundation at the end of 1992 was $41,880,638., an increase of almost $5.6 million over the end of 1991. Typically, assets are either held as endowments paying interest income in perpetuity to named Baptist causes, or they are held in trust with current income being paid to individuals and future income to be paid to Baptist causes in perpetuity. Additionally, the Foundation offers fund management for Baptist causes on a revocable basis.

The staff of the Foundation consists of seven full-time employees and two persons who provide part-time service in accounting and legal services. The office is located in Cary next to the Baptist State Convention building. We welcome visitors and others are encouraged to stop by for professional assistance or just to say hello. Edwin S. Coates is executive director.

The N.C. Baptist Hospitals, Inc. Report, 1993

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina with our purpose being to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers.

Our healing team now consists of 5,852 employees. The Medical Center (NCBH and BGSM) personnel total employment is fast approaching 9,000 people making us the second largest employer in Forsythe County. In the 806-bed facility, there were 23,247 inpatient admissions with the Outpatient Dept., physicians' clinics and other related departments receiving 490,667 patient visits.

Our chaplaincy division joined with our health-care professionals to provide spiritual and emotional healing. With 15-40 chaplains present at various times, 52,934 ministries were provided to patients, families, staff and groups.

A new department of our Pastoral Care program named the Center for Congregational Health was given birth. Its purpose is to (1) train Intentional Interim pastors; (2) train church leaders; (3) provide a minister's assessment program; (4) establish a Minister's Help Line providing an opportunity for church leaders to receive guidance via a telephone call. The Pastoral Counseling Division opened a new counseling center in Wilmington bringing our total counseling centers to 11 across the state. The centers provided 16,205 counseling sessions.

Our points of excellence were: (1) The Joint Commission on Accreditation of Health-care organizations ranks Baptist Hospital in the top 9% of all hospitals in the nation; (2) Performed first pancreas transplant and first double organ transplant (pancreas and kidney) this year at NCBH; (3) NCBH is one of only 26 comprehensive cancer care centers in the nation, treating more cancer patients than any hospital from Baltimore, MD to Atlanta, GA; (4) Quality infant through adolescence care in the Brenner Children's Hospital; (5) The neonatal transport team is the largest in North Carolina and one of the 10 largest in the U.S.; (6) The Level I (highest awarded) Trauma Center has 2,100 admissions a year.

Last year Baptists across our state gave $422,000 to the annual Mother's Day Offering. All of these monies went toward relieving the financial burden of scores of former patients who have little or no health-care insurance and no financial means to pay their hospital bills. The churches and individuals help make this ministry possible and we are grateful.

There are several expansion needs for the future - Nursing Center at Oak Summit (a 170-bed facility providing skilled and intermediate care) opened in July, 1993; Emergency Department/Dietary facility to be completed by June, 1995; and construction to begin in November 1993 on the J. Paul Sticht Center on Aging and Rehabilitation and scheduled for completion in January, 1996.

Thanks for all the financial and prayerful support of this great ministry.

Respectfully submitted,
Emmanuel Pegram

Updated History of Corinth Baptist Church

This is an updated history of Corinth Baptist Church, located at 3658 Hwy. 96 South of Oxford, N.C. The church's history was featured in the FRBA Annual, 1974.

In 1832, the members of Corinth Baptist Church built their first building in which to worship, with preaching being held once a month. In 1835 the church was constituted and received into the Flat River Baptist Association. The church voted in 1857 to organize a Sunday School. In 1862, permission was granted for a school house to be built on the church land.

The old church building was sold in 1926 and work was begun on the new building. The first service was held in this new building in 1927.

Additions have been added and improvements have been made to our church through the years. A lot of this has been made possible through special contributions given to our church by members, former members and friends.

Since the last recorded history, new oak pews were installed in 1979.

A fellowship hall was built in 1981. This is a brick building connected to the northeast corner of the church by an aluminum shelter and cement walkway.

In 1984 a steeple was added to the church.

New carpet was installed in the sanctuary in 1985.

In April 1988, a baptistry was installed behind the choir loft. It was used for the first time at a dedication service held on September 11, 1988. Also in 1988, new lights were installed in the sanctuary, and the older sanctuary lights were installed in the adjoining Sunday School rooms.

Corinth's history cannot truly be recorded with pen and ink. The aforementioned improvements that have enhanced the beauty and convenience of our church building hopefully reflect the desire of our members to pay tribute and praise to God.

More importantly, we focus on the church body - its people. With appreciation we look back to the faithfulness of its members who have strived to serve at Corinth carrying out the on-going duties and responsibilities that a church requires. Five members have gone

from our church into full-time Christian work, and four members have served on the mission field.

A total of fifty-one ministers have served and led the church through the years. A complete list follows: Zachariah Allen served from 1835-1842 to be succeeded by Samuel Wait and Wiley A. Atkinson prior the lengthy pastorate of James Simpson Purefoy, 1849-76. Others include Franklin Royal Underwood, 1877-80; Elijah Forbes Beachum, 1881-82; Robert Irah Devin, 1883-86; Cornelius F. Humphries, 1887-90; Malicus Addison Adams, 1890-91; James W. Atkinson, 1892-99; Elbert Young Pool, 1899; George Edward Spruill, 1900; James Howard Gordon, 1901-05; Herman Thomas Stevens, 1905-09; Elvis Martin Lassiter, 1909-10; Charles Herman Trueblood, 1911-12; Wallace Howell Hartsell, 1913; and George Taylor Tunstall, 1914.

Also, T.A. Tatum, 1915; Carey Almon Upchurch, 1916-18; Dossie Elbert Deaton, 1919; George Taylor Tunstall, 1920; Charley Hayes Cashwell, 1921; Jackson Uriah Teague, 1922; Lucious Lanell Hudson, 1923; Eugene Grissom Usry, 1924-28; Charles Lee Gillespie, 1929; Eugene Grissom Usry, 1930-36; Jesse Wade Baker, 1936-37; William Clive Francis, 1938-41; Carey Almon Upchurch, 1941-42; Linwood Ray Jordan, 1943; J.W. Cummings, 1944; E.M. Powell, 1945-48; Norman Arrington Hicks, 1949-57; John Richard Ball, 1957; Frank Ross Campbell, 1958-60; Bobby Tyson Holland, 1961-62; James Norman Perry, 1963-66; James Franklin Adams, 1967; Joseph Martin Glisson, 1968; William A. Robertson, 1969-71; Gary Ronald Harrelson, 1971-74; Kenneth Brown, 1975-78; Thomas Horne, 1978-79; Courtney Merrell Woodson, 1980-82; Stephen McFaddin Lewis, 1982-87; James Christopher Schofield, 1987-91; and Eric Grant Pfeifer, 1991 to the present. (Note: this complete list of pastors is given here since the list was not included when this church was featured in 1974.)

By reflecting on the past, we look to the future with anticipation as another chapter of history is written for Corinth Baptist Church.

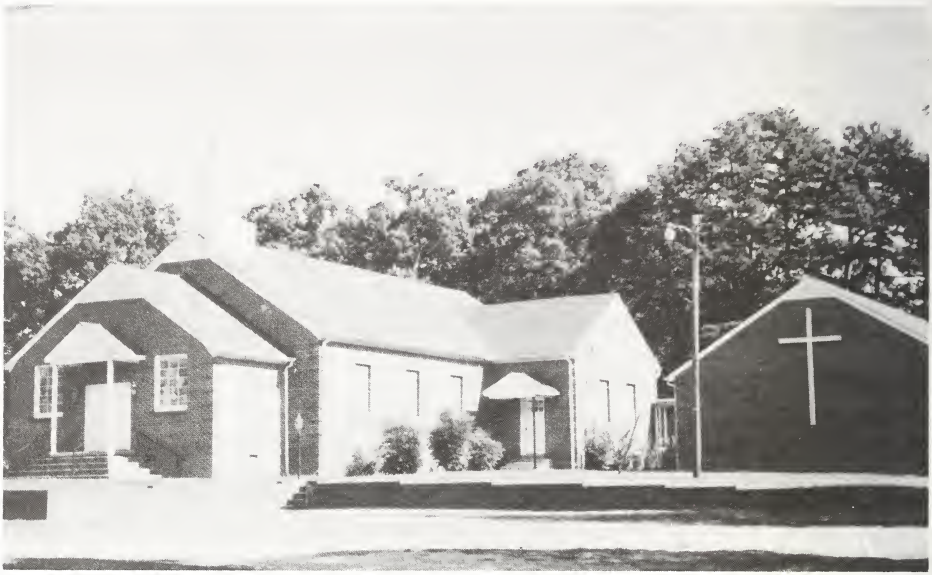
Updated History of Tabbs Creek Baptist Church



This is an updated history of Tabbs Creek Baptist Church, located at 5609 Tabbs Creek Church Road, Oxford, N.C. The church's history was featured in the *FRBA Annual* in 1974.

Tabbs Creek Baptist Church was originally established in 1775 and shortly thereafter, for unknown reasons, ceased to actively function. Then again in 1792 the Church was re-established and functioned until 1883, when, once again for unknown reasons, it closed its doors. The Church was not reopened until 1906 and it has continued to operate to the present time.

When the Church reopened in 1906, the place of meeting was the school at Dickerson's Station, where the church continued to meet until 1907. In 1910 dedication services were held for a new frame structure, 40' X 50' with plain glass windows. This building stood on the present site of the church. The land for this building was purchased for a small amount from James Parham, Jr. This building served the church until 1950 when a new building was completed. This building had four classrooms and a sanctuary. In 1955 an educational wing was built on the rear of the existing structure.

In 1962 the church built its parsonage on Highway 158, present address is 710 Williamsboro St. in Oxford. During the 1960's the church grew steadily. In the mid 1950's the church went from "quarter time" to "half time" and in 1965 the church went to "full time," which meant that services were now held every week instead of every two weeks. At present the church has services on Sunday morning including Sunday School and the morning worship service. The first Sunday of every month (generally) the church has its business meeting in the evening. And, finally, the church has Bible study and children's missionary group meetings on Wednesday nights.

A new educational building was constructed in 1970. This was a separate structure which contained a kitchen, two bathrooms, two classrooms, and a divided assembly room consisting of four classrooms. A new baptistry was installed in 1976; steeple and vestibule

added in 1980. Other improvements — added central air conditioner and pew cushions. A new church constitution and bylaws was adopted in 1986. Chandeliers on the sanctuary were installed in 1987. In 1993 various improvements were made to the outside of the buildings (i.e., vinyl siding was applied and a new roof over the breezeway was constructed).

At the present time, we have all organizations in Woman's Missionary Union actively studying and doing missions - Baptist Women, Baptist Young Women, Acteens, Girls In Action, and Mission Friends. Our men and boys are organized in the Brotherhood organizations - Baptist Men and Royal Ambassadors — and they too study and participate in mission activities.

A list of pastors serving since 1974 — Denzil Adams 1975-1979; Tony Cartledge 1979-1985; Lanny Atkins 1985-1989; and James E. West 1990-1993. At the present time, Dr. Delos Miles of Wake Forest is serving as interim pastor.

The members of Tabbs Creek Baptist Church look forward to the next century, when growth in depth as well as in breadth will continue according to God's good pleasure.

Woman's Missionary Union

FLAT RIVER BAPTIST ASSOCIATION

1. HIGHLIGHTS OF WMU SPRING MEETING:

The 84th Annual Session of the FRBA Woman's Missionary Union was held on March 23, 1993 at Dexter Baptist Church. Presiding was Wanda Temple, FRBA WMU director, in the afternoon; and Patsy Milton, associate FRBA WMU director, in the evening session. Host pastor, Rev. Neil Woodlief, extended the welcome. The call to prayer was given by Marie Wilkerson.

Reports were given by the various organization's directors, Time and Place Committee, Budget Committee, Nominating Committee and Treasurer. Balance in bank as of March 22, 1993 was reported as $1,126.05. Total budget for 1993-94 will be $2,220.00 - this budget goes from Oct. 1, 1993 through Sept. 30, 1994 and is financed by church WMU organizations giving $1.00 per member (Baptist Women members through Mission Friend members).

FRBA Director of Missions Bob Wainwright made remarks on the various mission activities one could be involved in and expressed appreciation to WMU for all the support to activities. Information from the FRBA 200th Anniversary Comm. was brought by Gerald Rene Frazier.

Special music for the meeting was provided by the Tabbs Creek Children's Hallelujah Choir (GA's and Mission Friends) directed by Doris West; and Brenda Jo Thompson.

In the afternoon session, Daniel F. Callis, Jr., SBC missionary to Brazil, spoke on his ministry in Brazil. ''Serving Through Volunteer Missions'' was the topic of a special part on the evening session reported by Brenda Jo Thompson, of the Corinth Church, as she

told of serving as a volunteer in Honduras. Emma Blake of the Island Creek Church told of her experiences as a Home Mission volunteer. Dr. Maurice Cook, president of N. C. Baptist Men, brought the message at the evening session. He spoke of the partnership ministries carried on by WMU and Baptist Men and encouraged continued service together.

A motion was made and passed that the 84th Annual Session of the WMU of Flat River Baptist Association send Nancy Curtis a letter of commendation and appreciation for her dedication and service not only through our state but as she has represented us through WMU, SBC. Nancy would retire April 30, 1993 from her position as executive director of N.C. WMU since August, 1977.

The theme of this meeting was "Lead On!" based on the 1992-93 WMU Watchword: "Be determined and confident, for you will be the leader of these people as they occupy this land" (Joshua 1:6). (154 attended from 27 churches)

Special Messages for the 200th Anniversary Celebration

FLAT RIVER BAPTIST ASSOCIATION

A TIME TO REMEMBER

As we look back upon 200 years of cooperative work in the name of our wonderful Lord and Savior Jesus Christ, here in the Flat River Baptist Association, we have reason to be proud.

I am very deeply grateful to God for all that He has done through the leadership of faithful directors of missions, our capable and dedicated secretaries, and all the other wonderful people who make up the Flat River Baptist Association whose leadership and "followship" have made it all happen.

Ruth Bell Graham, in her book, *sitting by my laughing fire*, said:

"Beyond those hills
lie yesterday
the silenced now,
. . . . . and a tomorrow."

Dr. Raymond Hargus Taylor in his book, *Partners in Missions and Ministry,* A History of the Flat River Baptist Association, has written about our "yesterday." We can read it and be informed, inspired, and challenged.

President Bill Clinton, in his speech at the University of North Carolina 200th anniversary last week said, "Don't cling to the past, but on the future." He also said, "Yesterday is only yesterday. If we try to recapture it we lose tomorrow."

Today, as we remember, and celebrate our "yesterday," the on-going program of our association is being vigorously carried on. This is as it should be. There is no time to merely mark time in the Lord's work.

Again quoting from Ruth Bell Graham's, *sitting by my laughing fire*, on remembering she says:

"Let it be twilight
just a little longer. . .
don't turn the lights up
yet;
twilight's a time
for remembering,
twilight's a time
to forget
a decompression chamber
where the soul
submerged, uptight,
can un-begin
and slowly rise
to night."

As we "slowly rise" to face our "tomorrow" in Flat River Baptist Association, we do not know what God has in store for us. But what we do know, is that "His power at work in us, can do far more than we dare ask or imagine. (Eph. 3:21 CEV). And I for one want to be "in on" what God is "up to" in this place.

The writer of Hebrews, after he had finished the "roll call of the faithful in chapter 11, continues in chapter 12 with these words. "Such a large crowd of witnesses is all around us! So we must get rid of everything that slows us down, especially the sin that

just won't let us go. And we must be determined to run the race that is ahead of us. We must keep our eyes on Jesus, who leads us and makes our life complete. He endured the shame of being nailed to a cross, because He knew that later on He would be glad He did. Now He is seated at the right side of God's throne! Keep your mind on Jesus, who put up with many insults from sinners. Then you won't get discouraged and give up." (Hebrews 12:1-3 CEV).

We are reminded in 1 Cor. 3:9 (NIV) that we are "God's fellow workers" and we are challenged to, "Always keep busy working for the Lord. You know that everything you do for Him is worthwhile."

Mertie B. Davis

(NOTE: following is the address made by Rev. Roger E. Williams at the FRBA 200th Annual Session on Mon., Oct. 18, 1993, meeting at Peace's Chapel Bapt Chr.)

THE BEGINNING OF A NEW ERA

It was the summer of 1946 that I received my first introduction to Granville County. I had been invited to preach in revival services at the Grassy Creek Baptist Church. The pastor at that time was Isaac Terrell, who along with his family had become our close friends at the Southern Baptist Theological Seminary in Louisville, Kentucky. Also, we shared adjoining church field in Indiana during those student years.

Revival-time back then was a major event in the life of a rural church. There was no competition from television, no mega-churches with multi-million dollar budgets, Billy Graham had just finished as a student at Wheaton, and the Old Fashioned Revival Hour on radio was almost the only religious service broadcast across the nation.

I will never forget this introduction to the Flat River Baptist Association. The season was dry and the only paved road in the direction of Grassy Creek was Highway 96. Once you left the pavement the only safe way to drive was "full speed ahead," so that you would not choke on a cloud of your own dust. Back then environmental protection was virtually unknown, and apparently toxic contamination in the soil was not too great, or half of Granville County would have died of lung disease.

A further factor in this unique introduction was the lack of electricity in rural areas, and the church was lighted by gasoline lamps. A nice one hung immediately above the pulpit. Remember it was summertime, and the church windows without screens were wide open to admit as much fresh air as possible. Not only was the church filled nightly with faithful members and visitors but the hissing gas lamps attracted numbers of pesky insects. We all know that French people eat snails, and some gourmets eat chocolate covered ants; but I am living proof that swallowing a few night-flying bugs might not be enjoyable, but neither is it terminal.

As I returned to Indiana little did I know that in June of 1947 my family and I would return to Oxford for me to become the first Associational Missionary for the Flat River Baptist Association. As my topic suggests it was "The Beginning of a New Era." It was "new" in many respects. World War II had only recently ended and veterans, young and

old, were picking up the pieces of domestic lives. The economy was beginning to grow, with no thought of returning to the depression years of the thirties. Governor Scott had instituted the ''farm to market'' program of paving rural roads, and soon the major dust clouds remaining were in the fields where farmers plowed and cultivated.

But, even more significant were the signs of spiritual growth in the Baptist State Convention. There was a ''Department of Rural Church Development,'' with a full-time paid director. Even prior to this, churches were banding together to farm ''Fields,'' so that they could cooperative and have a ''full-time'' resident pastor to share with each other.

Some strong ''fields'' in the Flat River were Enon-Hester, with W.D. Poe as pastor; Stovall, Island Creek and Bullock, with Marshall Walker as pastor; Mountain Creek, Grassy Creek, Providence and Knott's Grove - 4 churches with Isaac Terrell as pastor. These are only examples, as there were others. There were also resident pastors such as Eugene Usry and Ed Greene, who never had a formal ''field'' but preached all over Granville, Vance, Warren and Franklin counties. Oxford Baptist Church had the only full-time resident pastor, M.L. Banister. Other ministers in the formative years of the Associational Missions program were Norman Hicks, Ronald Hicks, Ronald Rice, Oren Bradley and Shelley Caudle. In later years a large number of student-pastors would come from Southeastern Seminary at Wake Forest. In 1947, theology was sound; the gospel was proclaimed; and no one questioned the authority of the Bible, nor was the expression ''inerrancy'' ever heard of.

It was into this scene that I was ''called and employed'' as the first Associational Missionary. The salary was good: $3,600 per year. Of course, I would furnish my own house, car expense, and anything else that $300 a month would buy. Fringe benefits consisted of vegetables from some farmer's garden, a pantry-pounding to get us started, now and then a chicken (sometimes live, sometimes frozen), and one country cured ham which I ruined because I didn't know how to store it properly. Oh yes, there was one major side benefit: dear old Doctor Roy Noblin to give free medical attention and delivery of babies to area ministers and their wives; plus, Dr. James Pruitt to give dental treatment and ''bird-hunting'' instructions to novices such as myself.

But enough shadows, how about a little light on the program itself? Remember, there were 28 churches in the Flat River Baptist Association and only Oxford Baptist was full-time. So, one of the first ways of getting introduced and beginning to render actual service to the churches was through conducting Vacation Bible Schools, largely in churches that never before had one. Irvin Adcock, then a ministerial student helped. It was the year of the anthem: *''Who Is The King of Glory?''* The words went like this: *Lift up your heads, O ye gates, and be ye lifted up ye everlasting doors, and the King of Glory shall come in.* Then the girls sang **Who is this King of Glory?** and the boys answered **The Lord of Hosts, he is the King of Glory.**

When some older persons heard we were going to sing an ''Anthem,'' I'm afraid they thought that ''liberalism'' was invading the churches.

Amazingly enough, a few persons in recent years have recalled to me that first VBS and anthem, and not un-favorably.

Another sign of the spiritual health of the Flat River during those middle and latter 1940's was the number of young people responding to God's call to ministry. John Dean, Geoffrey Knott, and Irvin Adcock were studying for the ministry, while Sam Knott's daughters, Rosalind and Rebecca, were preparing for foreign missions. Other young people were receiving strong Biblical foundations that would lead them to render distinguished Christian service as lay persons. I mention only one man and one woman.

The man many of you know as an outstanding attorney in the city of Charlotte, and a past president of the Baptist State Convention, namely Bill Poe, son of the late and beloved W.D. Poe.

The woman most of you do not know, but she is typical of many lay persons who are the un-sung heroes and heroines of the Faith. She grew up in the Sharon Baptist Church, much of the time under the preaching of Eugene Usry. As a young woman she moved to Raleigh where she met and married a young man. Their lives together have rendered un-measurable service to youths from broken homes. I am speaking of Doris Dixon Russ and her husband, Vance. It was their ministry at Kennedy Home, our Baptist Children's Home near Kinston, that led to the start of a program of wilderness therapy that is now recognized as one of the most successful treatment programs in the south. Just visit the Cameron Boys Camp near Sanford, North Carolina and you will understand what I mean.

Because of the small house in which Mary and I and our three young children lived, it was necessary to locate some office space in Oxford. A room on the second floor of the Oxford National Bank was available for $20 a month. It seemed like a lot of money to come out of that $300 per month, so Ike Terrell was constrained to share the space and the rent, and we moved our books and supplies in together. We each were our own secretary and my ancient portable typewriter and Isaac's wire-recorder (a fifty-pound forerunner of tape recorders) were the extent of our original equipment. Believe it or not, many good conferences, counselling sessions and even Bible studies (especially a series on the seven churches of the Book of Revelation) were conducted in this office.

Humorous things also occurred; such as the time when the wire escaped from the spool on the recorder, and we had to dangle several hundred feet of it out of an alley window to try to straighten the kinks out of the wire.

As the concept of Associational Missions grew, cooperation between the churches led to a series of "warehouse" revivals. One of the downtown tobacco warehouses was turned into a gathering place, with chairs and benches for several hundred persons. Outstanding Southern Baptist ministers conducted evangelistic services.

One evangelist was a former member of the West Oxford Baptist Church. As a teenager, he had ridden away from home on a motorcycle to seek his fortune elsewhere. His wanderings led to Louisiana where God called him to preach. Outstanding as a soul winner, he was asked to come home to share his testimony. Deeply moved by his preaching, the congregation gave a generous love offering. It totaled more than the annual salary of one of the part-time churches his former pastor served.

"M" night was just coming into focus, and strong youth rallies were held in various churches. One ended in disaster, when a Christian magician was featured to entertain, and to bring his testimony to the youth. After a few sleight-of-hands and other tricks, suddenly the program was interrupted by an elderly gentleman, who stood to his feet, exclaiming "these are acts of the devil and his evil spirits!" Whereupon he stalked out of the church, followed by two teenage daughters with crimson faces of embarrassment.

On this note the meeting was promptly adjourned without the magician even getting to give his testimony.

But, back on the positive side. The Association began to sponsor *The Flat River Hour*, a 30-minute radio broadcast over WOXF. Pastors from various churches sometimes with their choirs, would bring the messages. It was a "bonding" experience for the Association.

Perhaps for many of you here tonight, these reminiscences may seem trivial, but at the time they occurred they were the "way it was." The marvel is that out of such humble beginnings a "New Era" did develop, as subsequent Directors of Missions, such as John Biddle, Ronald Rice, Bill Edwards, Mertie Booker later married and was (Mrs. H. Oliver

Davis), Arch Cree, Dan Page, and now Bob Wainwright have moved the vision forward. Most if not all churches are now full-time. Through cooperation, financial support has greatly increased. Local, State, and World Missions have benefitted from Associational information and inspiration. Cooperation in disaster relief, such as in South Florida, have enabled lay persons from Granville County to do "hands-on" mission projects. I recall a "hands-on" ministry of my own, helping Mount Zion construct the educational unit at the rear of the sanctuary. Most of the work was done by volunteer church members under supervision of one salaried, experienced foreman.

And if the Lord delays His coming again (a coming for which we all surely fervently pray,) we will see the fulfillment of my text for this evening. Hebrews 12:1-2: 1. "Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us; and

2. Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God."

For two hundred years a faithful witness has been proclaimed by the Flat River Baptist Association. Two hundred years is only ten percent of the time that has passed since Jesus first came, and there may not be another ten percent remaining before He comes again. One thing is certain, none of us celebrating this bicentennial will be here for another one.

In the meantime, we do not know in this troubled world, what old doors will be closed, nor what new ones will be opened. However, we can be sure that a race will be set before us to run, and we must run it as faithfully as those who have gone before us. Then, perhaps we can say with the Apostle Paul, "We have fought a good fight, we have finished our course, we have kept the faith." All to God's glory, and not our own.

STAND FIRM IN THE LORD

Philippians 4:1-7

Our theme, A TIME TO REMEMBER, is so appropriate this year as we of FRBA begin to celebrate our 200th Anniversary. Remembering our past, I feel it is a time of praise, a time of thanksgiving and appreciation for God's people with whom we have shared so much; and a time of challenge for us to continue like them to STAND FIRM IN THE LORD.

Born here in Granville County, I remember well the past half century. As I recall these past years in FRBA, many of God's servants I believe have already heard our Lord say, "My child, I counted on you and you didn't disappoint Me." I want us to remember these saints, and be so challenged to live and serve that God will say to us, "My child, I counted on you and you didn't disappoint Me."

There is so much delight in remembering the past - the good old days - God's people with whom we have shared so much. All of us have precious memories to share in tes-

timony with one another tonight if we only had the time. I had a great heritage in growing up in my home church, Hester Baptist. I came to understand early the influence of a good deacon like Graham Hobgood; a good Sunday School director like F. R. Barlowe; a good Sunday School teacher like Lloyd Hughes; a good R. A. leader like Dollie Ragland Badgett; a good faithful member like Jim Brooks; and good encouragers through writing like Blanche Puckett and Julia Carrington.

In remembering the past, I also recall the importance of a Christian family. My parents carried me with them to all the activities of the church. I recall my father doing whatever he could to have a church building and facilities that would be useful to reach souls for Christ. I recall my mother and Lelia Dean teaching the preschool children for years. My mother started to bake a cake or fry a chicken when she learned of sickness or death. I recall my grandmother's spiritual concern for me by saying, "I want to see you accept Christ before I die." I recall the Saturday afternoon church business meetings at Hester. At one of the Saturday afternoon business meetings, I heard the call of God into full-time Christian service. As a high school senior, I came to understand the full certainty of God's call as He used Luke 4:18 to speak to me.

Men like George Tunstall and Charles Howard were often visitors in our home and were my heroes. W.D. Poe, Roger Williams, M.L. Banister, Bill and Lena Mitcher were great examples as servants of God. The summer I worked with Roger Williams to organize Vacation Bible Schools in our FRBA was a great experience. Today all of our churches are able to have VBS on their own. I met my wife, Patsy Brummitt, that summer at VBS at Tabbs Creek, and she became God's greatest gift to me besides my own salvation. We have enjoyed serving together as a team in wonderful pastorates, and we were so blessed of God seven years ago to come back to a pastorate in this association, Providence Baptist. Yes, as we remember the people of FRBA, we can recall those lives that have pleased God and blessed many other people.

In our text from Philippians this evening, we find Paul writing to the members of the Philippian Church in commending them in their commitment to Christ and exalting them that they continue to stand firm in the Lord. In the text he calls the members of that church, "...my brethren dearly beloved and longed for, my joy and crown, ...my dearly beloved." Phil. 4:1. We have noted this evening there are some people in all of our churches who are like these Philippian Christians. They are a crown of joy to any pastor. These Christians are so essential to the Lord and His church in carrying on His task. So Paul in writing to his favorite church family, lets them know it is important that they continue to STAND FIRM IN THE LORD. This evening, let us think of the practical qualifications of the Christians in our FRBA in the past 200 years and become willing to also STAND FIRM IN THE LORD.

I. As we remember the faithful people in FRBA, let us stand firm in that qualification of being His faithful people today. The Bible nowhere commends anyone for greatness or brilliance, but for faithfulness. "Well done, thou good and faithful servant..." is the praise given by the Master.

Let me give you a contrasting picture of two men who were members of a certain church. One man was a lawyer, a judge, a college graduate, a brilliant man. But he attended church only about once a month. He would come and make a great speech to a Sunday School class, and everyone thought he was wonderful. The church gave him a class of men to teach, and he started off in a great way. But he could never be counted on to be present. Soon he resigned his position. Although he was a talented and well-educated man, he meant very little to his church. The other man was a janitor in a bank, a man of limited education. But he was always at church, he gave his tithe each week, he invited others to church

and sought to win them to Christ. Because he was faithful the janitor's life counted more for God than the life of the brilliant judge!

Now if Christ picked out the most understanding member of your church, who would it be? It would surely be the one who was most faithful. The way to be a good witness is to be faithful. Most people cannot preach or teach or sing in the choir. But every single one of us can be faithful. That's where God's reward comes in. Revelation 2:10 "...be thou faithful unto death, and I will give thee a crown of life."

So my prayer is, "God give us faithful Christians." We need people who are faithful in giving, faithful in attendance, faithful in service, faithful in witnessing. Faithful people are so essential and we can't have too many of them.

Christian, someone is expecting something of you — your pastor, your friends, most of all your Saviour. He is expecting you to do your best for Him. Then when He sees you at the end of the way it will be worth it all to hear him say, "My child, I counted on you to STAND FIRM and you didn't disappoint Me."

II. As we remember the willing people in FRBA, let us stand firm in that qualification of being His willing people today. Oh, we have some willing people, all right, some willing to work and others willing for them to do it! Then we have so many members who are willing to do the work of the world, but not the work of the Lord. The club calls them, the lodge calls them, the outsider organization calls them, and they are ready and willing. The Lord calls them, the church calls them, and they are "too busy." A man said to me, 'I don't come to church on Sunday or Wednesday nights because that's the only time I have for my family." Why? Because he gave the other nights to his social life and pleasures. Now he felt that he could give God's nights to the family. Christians ought to be willing to make some adjustments, and church and the Lord ought to have priority. These other things will die with the setting sun, the things of Christ will last forever.

As our nominating committees of local churches secured workers for this new church year, oh how they found joy in dealing with the willing workers. Some folks work well anywhere in the church. They love the Lord and say, "Any place that I can serve suits me. It doesn't have to be a big place. I'm willing to work anywhere that I can glorify God and serve His cause." Some lowly and unnoticed willing service may make some of us first with the Lord who here on earth were last.

A man lay up in the hospital, stricken with incurable cancer. One day he sent for the director of the Junior Dept. of his church to visit him. When she came, he recalled the time, ten years before, when she had urged him to teach a class of junior-age boys. He reminded her that he had refused, with the excuse that he "Didn't have time." "Now, he said, time is about up for me. I've made money, which I must leave behind. To think of what I've missed by not investing some of my life in 70 or 80 boys during these ten years! I was called for service, but I refused to serve. And so I must go, and empty-handed." God grant that none of us will make such a mistake.

As the Master calls us to be about His task let us take the time to train and be involved willing in His service. When Paul gave himself to Christ, he asked, "Lord, what will thou have me to do?" He was told that he was to go out as an apostle to the Gentiles and he willingly went. And as Paul trained and grew in Christ, he said, "The love of Christ constrains me." Don't wait for some great catastre to happy or something unusual to accomplish before you willingly start serve Christ. Christ needs you about His business now.

III. As we remember the people of vision in FRBA, let us also stand firm in the Lord as a people of vision. "Where there is no vision the people perish." We need first a vision of the needs about us. All around us there are unsaved and unchurched people by

the hundreds. Many of them could be brought in if our people went after them seriously. Then we need a vision of worldwide needs. Jesus said, "...Lift up our eyes, and look on the fields; for they are white already to harvest." (John 4:35) We must take care of the local needs but we must not stop there, we are to look to the regions beyond.

In 1835 the Primitive Baptists split off from the Missionary Baptist. They were called "Hardshells." They didn't believe in missions and schools or an educated ministry. They said, "If God wants to save people, He can do it without our help." But the Missionary Baptists said, "We believe in Christ's Great Commission, we will try to send the Gospel to the ends of the earth." What had been the result of these two opposing philosophies? The Primitive Baptists are almost gone, they have only a hand full of struggling churches left in the country. On the other hand, the Missionary Baptists have grown into the millions. Our great churches are everywhere and our missionaries girdle the globe. You note what happens with vision! "He that would find his life must lose it." No church or group of people can grow by keeping the good news of the Gospel to themselves. Stand firm as a people of vision.

IV. As we remember the optimistic people of FRBA, let us also stand firm in the Lord as an optimistic people. "We can't do that," some people say. "We have never done that before," some say. "God helping us, we will do that," is what the optimists say. The church is no place for pessimism. We have a great God and a great mission. He has promised to help us in all we do for Him, so we ought to be Christian optimists!

Here is a great building going up. One group is working, the other group stands on the sidelines, saying, "It can't be done." One day the building is finished and the worker is rewarded while the knocker stands aside and grumbles. The church is a great spiritual building and every one of us can have a part in its work.

As we just closed another Associational year, are you here to say, "I had a part in the record of my church last year." Or would one have to say, "The church had a great year but I did nothing to help." At the end of the way there is a crown of reward for the builder, there is nothing for the knocker. The church needs its optimistic people. Today the difficulties of life are great and our enemies are many. But God is on the side of those who serve Him. He is stronger than all of the outward circumstances. God and one are always a majority. It is essential that optimistic people stand firm in the church today.

V. As we remember the industrious people of FRBA, let us also stand firm in the Lord by being industrious people. Jesus was industrious. He said, "...My Father worketh hitherto, and I work." (John 5:17) He filled every hour with good service to God. Some people are too lazy to get up on Sunday morning and go to church, some are too lazy to attend prayer meeting. They are too lazy to do anything for God or for others. You can never grow a great church on lazy people. As you read through the Bible you find that God never used a lazy person. Moses and Noah and David and John the Baptist and Peter and Paul were all men of an industrious nature. They were workers.

The heads of a great corporation sit down and map out a big campaign. But that is not enough, they must have industrious workers to carry out their plans. The church has a great program, mapped out by the Lord Himself. But He needs industrious Christians to stand firm in carrying out His work. He has no hands but ours to do His work, no feet but ours to run His errands. Unless the work of the church is carried on by industrious people, the church will die. We praise God for His industrious people that stand firm.

VI. As we remember the boosters in FRBA, let us also stand firm in the Lord as His boosters. The Church needs its boosters.

One of my former members in Whiteville, NC ran a general store. As he wrapped the packages and received payments from his customers, he always invited them to church.

He was able to get more people to church than all of my other members put together. He was a booster.

We need boosters, we need people who are out every day, in every walk of life, telling others of the good times to be had in our churches. Soon they would know that we had something worthwhile here for them. If you want your church to grow and prosper, boost it! I like the slogan seen on some doors, "Come in without knocking, go out the same way." Remember that if you knock the church you are knocking yourself, for you are the church.

Let me share a story of one you have often heard. This boy walked three miles on Sunday morning to be in Sunday School. His mother saw that his feed sack shirt and patched overalls were clean. One Sunday morning, two ladies called the teacher out of the S.S. class to speak to him. They demanded that the teacher stop this boy from coming to class, for they did not want their sons associating with this boy. Three Sundays later, these two ladies knocked on the door of the S.S. class and asked to speak to the teacher again. They told the teacher, "We mean what we say, if you don't stop this boy from coming to class, we will take our sons out of the class." The boy was crying as the teacher returned to the class for he had overheard the conversation. He was never known to attend another Sunday School class. He was John Dillinger, one of the worst criminals the U.S. has ever had to deal with. Oh, to be boosters in the mission of our Lord!

VII. As we remember the liberal people of FRBA, let us also stand firm in the Lord as God's liberal people. Who are the liberal people? The one who gives $5 per week may be, but the man who gives $100 per week may not be. We must measure a man's generosity by what he has left over.

One day Jesus was sitting by the treasury. Some men came by and dropped in their large gifts, and they gave them in such a way that everyone could see the gifts. Probably someone said, "Did you see how much Mr. Abraham gave? My, he must love the Lord very much to give such a gift." Then a little woman, a widow, slipped in some small coins. She probably was very sorry that she could not give more. Nothing was said about her gift. But Jesus, who saw the woman and her gift, made her forever famous. He said, "He hath given all that she had." He measured her gift by what she had left over. Isn't it a pity that a man who has been bought by the blood of Christ and saved from hell, can be stingy with his church. Lord, give us big people, people with big spirits, people who rise above pettiness.

If you love the Lord you need not be afraid of giving too much. He will always outgive you. It is not what you have but what you are that determines the amount of your gifts. Churches seem to get along without rich people, but they can't get along without liberal people. So Paul challenged the liberal people to continue to stand firm in the Lord.

At one time in its early history, the Southern Baptist Theological Seminary was in dire financial straits. Three great professors were working hard to keep the school going. Finally one of them said in despair and grief, "I guess we'll have to let the seminary die." But one of the others said, "Brethren, if the seminary is to die, let us die first." And with that attitude and by the giving of themselves in sacrificial service, the school was saved. Thousands of preachers and Christian workers have been trained in its classrooms and the seminary lives on. That's the way we need to stand firm and love our church. Let's give it the best we have, saying, "If it dies, let us die first." Then I'm sure we will have a church that pleases God and blesses hundreds of people.

Will we stand firm as our forefathers? Our whole destiny depends upon our choice. In the Alpine mountains of Switzerland there is a spot where you may throw a chip in one direction and it will roll on by way of the Danube to the Black Sea. Throw it in another

direction and it will travel down the Rhine to the North Sea. Cast it yet another direction and it will go by way of the Rhine into the Mediterranean. Although these three seas are so far apart, and the three chips thrown from the same points have such widely separated destinations, the ultimate destiny of each chip is determined by the direction in which it is cast. It is the same with life. I trust you have decided to cast your life with Jesus, to stand firm in the Lord! One day we will really have to give an account of our definite choice!

A Christian woman says that when she was a little girl her mother called her early one morning and said, "Honey, I am sick this morning. Will you get up and get father's breakfast?" She quickly answered, "Yes, Mother." She meant to do it, but instead she turned over and went back to sleep. The mother got up and prepared breakfast. The little girl didn't realize how sick the mother was. She died a few days later. This woman said that for many years she had carried with her the sad memory of how she had failed her mother in the time of need.

I am afraid that many of us who get to heaven will carry with us some sad memories also. God needed us and the church needed us, but we are too occupied with our own ease and pleasures. And when we meet the Man with the nail prints in His hands, we are going to be sorry that we failed Him. In our 200th Anniversary of the Flat River Baptist Association, it is truly A TIME TO REMEMBER our heritage and A TIME FOR US TO STAND FIRM IN THE LORD.

THE 200TH ANNIVERSARY SONG

"LET US RAISE OUR BANNERS HIGH"

1. We brought our needs to you, dear Lord.
   For you to bless in one accord.
   Our thoughts, our plans, our every care
   We gave to you, our work to share.

Chorus:

So let us raise our banners high
To the one who's always nigh.
Sing praises to the Lord above
And tell the world of the Savior's Love
(of the Savior's Love).

2. Through the years You've been our guide
   To help all people near and wide.
   An now, dear Lord, we humbly ask
   For strength to carry on the task.

Chorus:

Words and tune by Carol Roberts, Oct. 1993

No. 6 1994-95 BUDGET PROMOTION

We sincerely appreciate the level of financial support that the association received from the churches in 1993-94. Church contributions to the association increased by 6.8% above 1992-93 figures. We urge churches to continue this type of commitment to fund the 1994-95 budget. The budget for this year reflects an increase of $5,833.60 primarily due to the needs to replace office and transportation equipment and to provide additional support for the language ministry. We tried to keep the budget at a level that would not cause financial restrictions on the special programs, ministries, and services offered by the assocition. We encourage all of the churches to support the 1994-95 budget, and we encourage churches to take advantage of the services provided by the association. Other members of the FRBA Finance Committee are: Mrs. Willie Lee Royster; Mr. Harold Sherman; Mr. Eddie Caudle; Mr. S. C. Hobgood; Mr. Eddie Stallings.

The 200th Anniversary Committee Report

The 200th Anniversary Committee for Flat River Baptist Association was formed in 1989 and when we began plans, the years 1993-94 seemed so very far in the future. This great celebration began last year with the 200th Annual Meeting and concludes with this 201st Annual Meeting. It has been a very exciting year of celebration.

May I pause now and recognize this Anniversary Committee and say thanks for all the hard work they have done - Mrs. Eula Averette, Pleasant Grove; Mrs. Violet Coats, Mountain Creek; Mrs. Betty Puckett, Peace's Chapel; Mr. Jerry Timberlake, Grassy Creek; Mrs. Lib Currin, Oxford; Mr. Tommy Averette, Pleasant Grove; Rev. Sam Brewer, Tungsten; Mr. Johnny Brummitt, Corinth; Rev. Bob Wainwright, director of missions, and myself as clerk.

As each church and the association as a whole were encouraged to look at its' beginning and how God has blessed us, we were also reminded to keep the spiritual heritage foremost in our minds and hearts.

The flags made by each church and our Hispanic mission are beautiful and I would encourage that they be used often.

The history, "Partners in Missions and Ministry", by Dr. Raymond Hargus Taylor, is an excellent historical item. One that I hope many families will purchase and have for future generations to read and refer to.

The pig pickin and the drama, "A Time To Remember..Past, Present and Future" on May 14, 1994 at Northern Granville Middle School were well received and attended. There were

over 100 people from several FRBA churches involved in the drama production. Mrs. Eula Averette as director of the drama and Rev. Lee V. Coyle as co-director are to be thanked for their hard work along with the cast and helpers. Rev. James West, former pastor of Tabbs Creek,and Rev. Lee Coyle, pastor of Mountain Creek; did an excellent job in writing the scripts for the drama. Music by the FRBA Senior Adult Choir and the FRBA Youth Choir was very good. We would like to say a special thanks Mrs. Carol Roberts for writing the anniversary song, "Let Us Raise Our Banners High" and she led us in singing this at the Drama during the parade of the flags.

Monthly displays by each church and the association at Richard H. Thornton Library have gotten good reviews.

As the activities on tomorrow will bring to a close our official celebration of 200 years in Flat River, may I encourage each of us to be thankful for our heritage in Flat River but also keep an open mind to the tomorrows in Flat River that God will continue to bless us in the various ministries and that many souls will be saved to a knowledge of Jesus Christ. Just remember - as we "look to the future" God will do His part, will we?

No. 10 **EVANGELISM REPORT**

The FRBA Evangelism Committee has been working to help facilitate the "Here's Hope: Share Jesus Now" simultaneous revivals which will take place in 1995. Training sessions for the local churches steering committees will take place in November. Also, on November 5, there will be a One-Day Soul Winning Workshop from 9-Noon at Oxford Bapt. Chr. This training is to prepare church leaders with a method to train their people to share their faith during the 60 days of simultaneous soul winning from Jan. 6, 1995 - March 6, 1995. These sixty days precedes the Here's Hope Harvest Revivals.

If your church has not made plans to participate in these events, we ask that pastors and church leaders would please begin planning. April 2-15, 1995 are the days set aside in our association for the Here's Hope Revivals. As long as you have a revival at your church by Sept. 30, 1995, your church will be considered a participating church. We look forward to what God is going to do through these ministry opportunities.

The Singles Ministry Report

Singles Seeking Something is the Flat River Baptist Association ministry to single people in our area which started meeting regularly in March, 1994. Our group is not large but we are constantly reaching new people.

This group was formed for all singles no matter how they are single and no matter what age. At one meeting, we had singles from 18 to 81. The mission statement for our group is Singles Seeking Something will meet the diverse needs of singles through Christian ministry. I am Kathryn Everette, the director of this group. Betty Baynes is the secretary. Jennie Ann Clay helped tremendously with the re-organization of our group.

We meet every Tuesday night. The first Tuesday night of each month is a meal at different FRBA churches. The meals are usually covered dish. At each of these, we have had different topics of interest--stress management, divorce recovery, the Damascus House, drug and alcohol recovery and The Lord's time table is always perfect. We have met in the five churches in Cluster 5 (in the Oxford area) and now we are meeting in Cluster 7 (Creedmoor area).

The remainder of the Tuesday nights, we are in Bible study at the associational office. Jerry Smith is the chair person of the Bible study committee and is teaching the Bible study. We are doing verse by verse study of various books of the Bible.

This group is not only a Bible study group but also a support group. From the beginning, support for each other has been one of our best qualities. It is good to see people being helped by others who care. Prayer is an important part of our Bible study.

We are also mailing a monthly newsletter to about 325 singles. We are providing fun activities each month such as visiting the new N. C. Museum of History, eating out, going to the Planetarium, attending a Christian play, attending a Durham Bulls game and a musical. We are planning to attend a seminar in Raleigh on stress Nov. 5, 1994.

Kathryn Averette

The 1994 Delaware Mission Team Report

During the week of July 10-16, 1994, nine youth and two adult leaders representing several churches in the Flat River Baptist Association served the Lord at the London Village Chapel in Magnolia, Delaware. Members of the 1994 Delaware Mission Team were: Karen Brooks and Anne Marie Montague, Bullock Church; Michael McGarr, Concord; David Wilkins, Delrayno; Kellie Woodlief, Enon; Jennifer Blackwell and Leslie Currin, Mountain Creek; Kelly Jones, Sharon; and William Coley, Stovall. Team leaders were Ken and Bridget Cavey, pastor and wife, Enon Baptist Church.

Prior to leaving for Delaware this year, each team member was required to attend several training and planning sessions. Everyone worked very hard and these sessions proved to be extremely beneficial to the teams ability to carry out their responsibilities. We again this year had the opportunity to lead Backyard Bible Club for the children of Mision Bautista Hermandad. What a wonderful experience this was for all involved as we shared of God's love and our love for these very special children.

While in Delaware we conducted Backyard Bible Clubs in two locations each morning. At each location we worked with children ages preschool through sixth grade. The children participated in Bible stories, games, crafts, singing and many other activities which had been planned. We also spent time canvassing the area encouraging the children and their parents to attend Vacation Bible School at the church in the evenings. Each evening our team assisted in the various classes offered at London Village Chapel's VBS. London Village is a low income trailer park area in Delaware which is unable to offer many positive experiences for the people who live there. We on the other hand have been given much and were very humbled by their appreciation for anything we did. The most important though was simply sharing that God loved them and that they were very special in His eyes.

This year's group of young people truly became a team as we served the Lord in Delaware. Each night we as a group participated in a short devotional and praise and prayer time lifting each other along with other needs to the Lord. What a special time this was.

We would like to thank each team member for their hard work and dedication. We would also like to thank the

churches of the Flat River Association for supporting this trip. Please continue to pray for the future of this ministry and those who will participate. Most of all, we thank the Lord for His protection, guidance, provision and love for this mission trip.

The Hispanic Church Building Status Report

Have you been by to see the Hispanic Church on Enon Road lately? If not, please do real soon. The outside is looking great! Inside, the plumbing and heating are all roughed in, and we've strung nearly a mile of wiring. We have to finish just another little bit of wiring to be ready for our major inspection. Wait till you see how the grounds are looking, with the ball field in back, thanks to David Currin's Eagle Scout project.

God willing, we're planning to begin hanging sheetrock on October 29th. This is going to be a major effort, and WE WILL NEED YOUR HELP. We'll be working nights during the week as well as our normal Wednesday and Saturday workdays. Please call the association office so we can schedule you.

How about the cost? Here's a shocker for you. We will complete this project well under budget. When was the last time you heard that? Final cost should be about 68 thousand dollars. That's only about two thirds of the budget which was approved by the Association General Board, and much less than half the commercial building cost. Praise God for our eager volunteers and lots of wonderful help from suppliers.

Even though we're under budget, we still need donations. We don't yet have all that 68 thousand dollars. We've been able to pay every bill until now, but we still need about 10 thousand dollars more. There are a few churches in the association which have not yet donated. Please help us as the Lord leads you, so we can finish this great mission project.

The Report of The Hispanic Ministry, 1993-94

We thank God for His mercy and goodness in allowing us to complete our third year in full-time ministry to the Hispanic community in Granville County and its surroundings, with the Association's continued strong support. Some highlights of the year are listed below:

+ October 16, 1993 - The cement foundation is laid at the future church site, with work continuing throughout the year.

+ December, 1993 - Approximately 15 Spanish families receive gifts for their children through the Christmas toy ministry.

+ May 1 to May 4, 1994 -Evangelist Jose Borras, a former Catholic priest, conducts the mission's first revival which resulted in six professions of faith.

+ June 16, 1994 - Enon Church hosts the N.C. Baptist Men Medical/Dental Van clinic, with approximately 30 perssons receiving treatment.

+ June 27 to July 1, 1994 - The Delaware Team, led by Ken and Bridget Cavey of Enon Church conducts a Backyard Bible Club, with a matriculation of 27 children.

+ July 31, August 28, September 18, 1994 - Migrant days are hosted at West Oxford, Hester and Enon churches, respectively, with average attendance of approximately 100.

The center of our activities continues to be Fellowship Baptist Church in Creedmoor. Average attendance for the year at worship services on Sunday afternoons rose to 83 from last year's 74. Attendance at Bible study on Wednesday evenings held steady at 24. Most important, 10 professions of faith and four baptisms were recorded, bringing out total for three and one-half years' efforts to 61 professions of faith and 16 baptisms.

CHURCH AND COMMUNITY MISSIONS (CCM) REPORT

This has been a great year and as an association, we all should be very proud of the mission projects God has allowed us to accomplish. Every time a need was presented, you helped meet it.

We started a One-on-One ministry with the area nursing homes. The response has been great and everyone has received a blessing for their efforts. The Damascus Home was provided with linens, dishes, silverware, small appliances and other needs. You helped make this a success. This is truly a home to be proud of and one that glorifies God.

The Christmas Toy Ministry is our most successful endeavor. Not only do we reach people with the toy ministry at the Oxford Armory, we reach people at John Umstead, C.A. Dillon School, Murdoch Center, Alcohol Drug Abuse Treatment Center, Umstead Prison, Granville Correctional Center, Abuse Homes of Henderson, Group Homes of Creedmoor, and Mental Health.

A special thanks to WalMart for helping in the various fundraiser projects in which they match dollars with the amount we raise.

Our ministry has been used at the state level as an example for recruiting volunteers and expanding mission projects.

Let's always remember that when everyone does a little, we accomplish a lot. Thanks to each of you for your love, support, and prayers this past year. God bless each of you.

Respectfully submitted,

REPORT OF DIRECTOR OF MISSIONS
"A TIME TO GO FORWARD"

This has been a good year and I want to thank all of you in places of leadership in our Association who have had a part during this 200th Anniversary in helping us to go forward. Of course, we haven't made progress in all areas and we need to look at those aread and work on them. (Calls attention to Digest of Annual Church Profile in package.)

Indecision is the greatest problem we have. James 1:8 says a double-minded man is unstable in all his way. There are too many folks who have a "past orientation." They remember "the good old days." We cannot live in the past or return to the past although we often try. It seems to me that many of our churches give their best planning and most energy to having "Homecoming" each year. Homecoming is good and serves a good purpose other than providing a bountiful meal.But we need to give equal planning and energy to reaching the lost and to minister to those in need.

Too often when it comes to reaching the lost and ministering to the needs of people, there is indecision and we don't do anything. In that great scene on Mount Carmel, Elijah said to the people in 1 Kings 18:21 "How long halt ye between two opinions? If the Lord be God, follow him: but if Baal, then follow him. And the people answered him not a word." Indecision!

Healthy growing churches and associations have a future orientation and are excited about what God is doing in the present and where God is leading. Rick Warren, a pastor of a growing church has said, "The church is measured, not by its seating capacity but by its **spending** capacity. How much does your church **spend** to reach the lost and minister to the needs of people? How many people does your church **send** out to reach the lost and minister to the needs of people?

In a little over five years we enter the twenty-first century. It's coming - ready or not! We need to remember that change is inevitable - growth is optional. You can see change happening right before your eyes. We need to seek out ways to take advantage of it. Here are some ways:

1. Re-think your programs and services. The life cycle of services and programs is shrinking and people are expecting more.

2. Develop a strong team whose members are responsible for initiating, executing and follow-up of ministry plans.

3. Look at the way you are doing things and see if your procedures stifle innovation,creativity and the Holy Spirit. Sometimes we need to clear the deck, so to speak and see if there is a better way to do something.

4. Act on what you learn about yourself and what you are doing in and through your church.

In Ephesians 1:8-10, we have these words from Paul: "For it is by God's Grace that you have been saved,through faith. It is not your own doing but God's gift. There is nothing here to boast of, since it is not the result of your own efforts. God is our maker, and in our union with Christ Jesus, He has created us for a life of good works, which He has already prepared for us to do."

It is a time to go forward to do the good works which He has prepared for us to do. I challenge you to do the good works He has for you to do.

THE DAMASCUS HOME REPORT, 1993-94

The FRBA Damascus Home opened in April of 1994 with the Dedication and Open House on June 5, 1994. The keynote speakers were Rev. Stephen Sumerel, director, Family Life & Substance Abuse; Rev. Jack Causey, chairman, General Board; and Mr. Maurice Briggs, chairman, Substance Abuse Advisory Committee. All are from the Baptist State Convention of NC.

We have been blessed since opening with a full house of men who want to grow in the Lord. Our first graduate, Tony Mears, finished his six months stay and said, "thank God for Damascus Home, without it I don't know where I would be today". Upon graduating, Tony has decided to make Creedmoor his home.

We have so much to be thankful for at Damascus Home. We have a dedicated Christian director, Ed Goff, who lives in the home with the men. We have a beautifully decorated home inside and out. We also have five men living there praising the Lord for the love and support they are receiving through our mission efforts.

As you know, the N. C. Baptist State Convention joint ventured this mission project with us. The N. C. Baptist State Convention set up a fund with $40,000 and advised us they would match dollar for dollar up to $40,000 raised by us. As of October 1, 1994, we, as an association, have raised $33,000. We have until December 31, 1994 to raise the other $7,000 to maximize our matching funds. Please pray about what God would have you and your church do in helping us with this mission project.

The Board of Directors wishes to thank you and your church for your prayers and gifts that have made this "God Size" project a reality. They would also like to ask that if at all possible, that you set aside some monies in your budget each year so that this ministry can continue to grow and serve those the Lord shall lead to our Home.

Respectfully submitted,
Rev. Don Brown, chairman

REPORT OF BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

In 1992-93 Baptist Children's Homes of N. C. served 1,469 young people and their families, probably an all-time high.

Through services provided at 13 facilities statewide, BCH offered residential care, maternity care, a home for teenage mothers and their babies, therapeutic camping,model day care, emergency care and behavioral change.

Through the Cooperative Program, church budgets and the Thanksgiving Offering, Baptist churches provided about one-third of the $11 million necessary to care for those children. Other revenue comes from payment for services on a sliding scale, foundations and corporations and individual gifts. A significant source of help comes from individuals who remember Baptist Children's Homes, and the children it serves, in their estate planning.

Many young people need Baptist Children's Homes and thankfully, many Baptist adults are committed to providing their needs, for Jesus' sake.

BAPTIST COLLEGE/UNIVERSITY REPORT

It was a time of war...it was a time of weakness and confusion..it was a time when world war was raging in Europe and the Pacific, and the outcome was still in doubt. World War II was being fought among the nations and reports to the Baptist State Convention in those years contained many references to the war and its effects upon churches,communities, the Baptist colleges and Baptist work in general. It was also a time when visionary Baptists who by faith could see beyond the clouds of war to the needs of peacetime made some important recommendations. A Convention Committee of 64 members labored almost two years before recommending that the Council on Christian Higher Education be created on Nov. 17, 1943. The first Council meeting occurred on January 17, 1944, four months and 20 days before D-Day.

The clear aim of Baptists was to strengthen the colleges, increase their moral and financial support among Baptists, place Christian Higher Education high on the

Baptist agenda, and to organize such efforts on a continuing basis.

This year the Council of Christian Higher Education marks its 50th year of service. Let us give thanks for those pioneer Baptists whose foresight, insight and good works caused North Carolina Baptists to become leaders in the field of Christian Higher Education.

Lenny Rogers

NORTH CAROLING BAPTIST HOSPITAL REPORT

Our N. C. Baptist Hospital was founded in 1922 as a missionary enterprise of the Baptist churches of North Carolina. Its purpose is to carry out a ministry of healing as taught and exampled by Jesus Christ.

The campus of the Medical Center includes the Hospital itself and the Bowman Gray School of Medicine. There are 806 in-patient beds in the facility with almost 9,000 employees. Last year there were 23,545 inpatient admissions and 523,676 outpatient visits. It is one of the large medical centers in the nation on the cutting edge of research and patient care.

Many of our churches are familiar with the Department of Pastoral Care. NCBH was one of the first major medical teaching centers to recognize the spiritual man as a part of healing. There are 15 - 35 chaplains present in the hospital at all times with 58,747 ministries to patients and families last year. The pastoral Care Dept. is also concerned with CONGREGATIONAL HEALTH. Training is being provided for ministers to be involved in "Intentional Interim Training" to assist church in conflict. This is in addition to the leadership training provided for young ministers.Our Cooperative Program monies help these ministries to be carried out.

The Baptist Hospital offering in our state last year totaled $425,734. These monies went to relieve the financial burden of many who have little or no health insurance and no financial means to pay their medical cost.

In a world where there is much talk about health cost, our NCBH has an excellent record of stewardship. Compared to other state academic medical center charges,the NCBH charges are 21% lower.

There are many other facts that could be given concerning our NCBH, but space will not permit. North Carolina Baptists have a right to be proud of this ministry that emphasizes healing with love and care that meets the need of the whole person. This is a ministry of faith for our Lord.

The staff of the N. C. Baptist Hospital considers the individuals and churches of the Flat River Bapt. Assoc. as a partnership. They are grateful to God and to all the North Carolina Baptist family for their support.

Emmanuel P. Pegram

REPORT OF THE BAPTIST RETIREMENT HOMES, INC. OF N. C.

The Baptist Retirement Homes, Inc. of N. C., the N. C. Baptist Retirement Homes leaders and staff realize the continuous need for expansion of its facilities and services for the fastest growing segment of North Carolina. Baptist life is composed of adults 85 years old and older.

The year, 1994, will mark the completion of renovation work at both our Hamilton Home in Martin County and the Taylor House in Albemarle. With the completion of these projects, all of the facilities owned and operated by the Bapt. Retirement Homes will literally be "State of the Art". Thank you for your wonderful support of these projects.

This year, 1994, will also be remembered as a year when our institution realized that the focus of its work needed to be broadened. With the encouragement and leadership of its Board of Trustees, the Bapt. Retirement Homes in 1994 have begun a new expansion of its ministry that includes adding home and community based programs such as Adult day care, Home health care, Hospice services and Respite care.

Again, please know that it is because of the support of N. C. Baptists that this significant expansion of ministry is becoming a reality. THANK YOU!

And thank you for helping us make life for OLDER ADULTS THE BEST OF TIMES!

Mrs. Annie L. Herman

THE NORTH CAROLINA BAPTIST FOUNDATION

During 1995, the North Carolina Baptist Foundation will

be celebrating its 75th anniversary. It is exciting to reflect on the fulfillment of dreams of founding fathers who prayerfully deliberated and voted in the 1919 Baptist State Convention meeting to charter "a trust agency" to promote and manage funds given by individuals for perpetual support of several struggling institutions and missions programs.

As of December 31, 1993,the Foundation held $45,878,748 under management. In 1993, $1,243,217 was distributed to Baptist work and $1,196,748 was distributed to individuals for a total income distribution of $2,439,965.

The income distributions for the entire 74 year history of the N. C. Baptist Foundation totals: $7,009,154 income paid to individuals and $10,011,893 to Baptist churches, institutions and mission causes for a grand historical total of $17,021,047.

In 1993, the staff of the Foundation consisted of seven full time employees and two persons who provided part-time service in accounting and legal services. In May of 1994, Rev. Coy H. Jeans, Jr. was employed by the Foundation Board as Western Area Manager of Trust and Endowment Development. Rev. Jeans will serve individuals in western North Carolina through estate stewardship planning to better provide for families and Christian endeavors. He will also work very closely with Associations and churches in the area.

The Foundation's main office is located at 201 Convention Drive, Cary, NC 27511, telephone 919/380-7334. Edwin S. Coates is executive director.

No. 24 **SUNDAY SCHOOL REPORT**

This is the final year of the five-year BREAKTHROUGH emphasis. The 1994-95 emphasis is Breakthrough - Witness To Win. The ASSISTeam attended workshops in Cary and were prepared to lead our Association in the Associational Training Schools on Sept. 27th at Enon Chr. and Oct. 4 at Pleasant Grove Chr.

The ASSISTeam also had a workshop on July 11 about all the literature changes and Sunday School work in general.

The associational VBS team was trained at the state workshop in March and led two VBS clinics in the association in April. In November of 1993, Janice Haywood,the State VBS leader, led a workshop on the VBS changes.

You should appreciate these two groups of people who are dedicated to giving their time and talents to lead our association to a better understanding of the Bible.

The ASSISTeam: Bob Baynard, director; Steve Timberlake, adults; Cheryl Brooks, youth; Faye Cannady, children; Donna Slaughter, children; Ann Thomas, preschool.

The Vacation Bible School Team: Bob Baynard, director; Mary Alice Elliott, adults; Cheryl Brooks, youth;Kim Tilley, children; Melanie Williams,children;Anita Harrison,children; Tanya Mattingly, preschool; Brink Reynolds, preschool.

No. 25 **DISCIPLESHIP TRAINING REPORT**

This year has been a relatively quiet one for Associational Discipleship Training. The State Convention leadership has been in the process of evaluating its approach at the level of associational leadership. For 1994-95, new manuals for style and direction of leadership have been produced. The "Associational Discipleship Supporters" (ADS), as the DT Team is now called, is much smaller. In the coming years, the State Convention is suggesting a team of three members--the ADS leader, a co-supporter and the director of missions (DOM). The goal for the ADS is to undergird and support the work of the individual churches as they strive to "make disciples" in the way that works best for them.Pray for the leadership to surface that will make this support team possible.

This past year our Bible Drills produced great winners. One single youth contestant from Poplar Creek was a finalist at the state level. We had only two contestants in the Children's Bible Drill. We are very proud of the hard work these have put into their drilling.

My thanks to the members of our team for their support and willingness to be of assistance. May we always strive to Disciple Makers.

Respectfully submitted,
Rev. Stephen Brock-Loftis

No. 26 **WOMAN'S MISSIONARY UNION REPORT**

Our WMU theme for 1993-94 was "Serve In Christ's Name". All Christians are called to fulfill Christ's word in the

Great Commission. The mission task is to be carried out by individuals, families, churches and associations. The goal of FRBA WMU is to teach, train, and encourage Christians to seek out opportunities to minister.

This year many council members attended leadership conferences at Ridgecrest and Caraway. Our associational conference was held at Oxford Bapt. Chr. with 89 attending. Bob and Jan Salley kicked off our new year with a program on "Service in Christ's Name".

Baptist Women, Baptist Young Women, Acteens and GA's held foreign and home mission studies. All organizations helped with support for our Christmas ministry through gifts of toys, stocking stuffings to gift wrapping toys.

Baptist Men/Baptist Women, Baptist Young Women and Acteens held banquets. Acteens attended Campbell's Acteens Day. Mission Friends and GA's had their own day camps. A "Hope for Hurting Humanity" seminar was held in March. Many speakers addressed needs of the community and ways to meet these needs.

The 85th Annual meeting of FRBA WMU was held at Hester Baptist Chr. with 190 attending on March 29th. At this time the proposed changes in the Bylaws were accepted.

At this time we have 32 churches reporting some WMU work in their churches and mission action in our mission church. We thank yo for the help and support in all the different ministries we help to carry out. With the prayers and support, God's work will continue in this association.

No. 27 **BROTHERHOOD REPORT**

I am happy to report that several churches in Flat River started new Brotherhood work this year-either Baptist Men or RA's or both. Some churches still do not have Brotherhood.We stand ready to assist you, call the FRBA office or me.

The year started off good with a large attendance at the Baptist Men-Women Banquet in Jan. held at Vance Granville Community College where we have plenty of room. Make plans to attend next year.

There was good participation at the mission fair-car competition with some fast cars and good mission projects. We had a good RA track meet, but we need more churches to be involved and attend these projects.

The RA conclave was canceled because of lack of participation. We hope to do better next year.

One of the ongoing projects in Flat River is building the church for the Hispanic people in our area. Baptist Men responded and the building is up and closed in. Still more work to do on the inside. Won't you give some time on this?

The goal for Brotherhood is to teach men and boys missions and to get them involved in doing missions. There are so many people in need around us and we need to look and see where we can help. The Lord said "When we help someone in need, we are helping Him."

The Baptist Men conducted a second rest stop ministry in May on Saturday and Monday. We gave out coffee and had tracts for people to pick up. We also had a chance to witness to travelers as they stopped by. This is a good way to witness and minister to other people. Most everyone can hand out a cup of water or coffee and tell people that God loves them.

I visited four churches this past year to help them start new Brotherhood work or to reorganize their units.

Thanks for your prayers and support.

Respectfully submitted
George S. Gresham

No. 28 **YOUTH REPORT**

The 1993-94 year has been a good one for our FRBA youth ministry. Participation has increased and with two successful rallies being held, we have broken some new ground. Even though we had one disappointment, God has blessed us.

In March,FRBA Youth Night was held at Oxford Bapt. Chr. Matt Fore, a Christian comedian and illusionist was special guest. The newly formed FRBA Youth Choir, directed by Betsi Forsythe of Creedmoor First Bapt. Chr., rendered special music. The event was well attended with 18 churches having representatives.

An associational Youth Conf., scheduled for Aug. 6th at Camp Oak Hill, was cancelled to lack of interest. Numerous churches expressed interests but only two signed up.

In September, a Back-to-School Rally was held at Oxford Bapt. Chr. featuring Owen Robertson, a Christian dramatist. He blessed our hearts through humorous and inspirational drama and mime. The youth choir from Ridgecrest Bapt. Chr. in Durham presented a musical program.

On behalf of the Lord Jesus and Flat River Baptists, I say thanks to all youth leaders and youth who have helped make this year a good year. May God continue to bless the young people of our churches.

Rev. Lee Coyle

No. 29 **SENIOR ADULTS REPORT**

The senior adults of Flat River Association have had another great year. One of the highlights was organizing the senior adult associational choir, the "Golden Chords" and they have been busy singing for many events. Directing the choir is Marian Wilkerson, Mountain Creek Chr. and pianist is Zena King, Tally Ho First Chr.

The November 19th meeting was held at Enon Chr. with 92 present. Thirteen churches were represented and five pastors and one visitor were in attendance. Mrs. Kathy May,director of Senior Adult services in Granville County, presented the program.

The February 17th meeting, held at Providence Chr. had 104 present. Four pastors attended and 12 churches were represented. Entertainment was by The Golden Chords Choir.

At the May 12th meeting, held at Tally Ho First Chr., 65 attended from 12 churches and five pastors attended. Rev. K. Maurice Cooper of Cary presented the program.

Creedmoor First Bapt. Chr. hosted the Aug. 18th meeting with 70 attending from 13 churches. Six pastors and four visitors were present. The Rev. Dorothy Hunt, dir. of Lifeline Ministry for Battered Women in Henderson, presented the program.

The senior adults traveled to Caswell for their annual Senior Adult Retreat May 23-25 with a good time enjoyed.

No. 30 **THE 1993-94 MUSIC REPORT**

A special "thank you" goes to Carol Roberts of Pleasant Grove Church, for writing the words and music of "Let Us Raise Our Banners High". She wrote this especially for the FRBA 200th Anniversary Celebration and we used this song throughout the celebration. We are very proud of Carol and grateful for her talent.

Appreciation goes out to all the music leaders and all accompanists in the association. Many of these people are lay people who give freely of their time and talents to serve God. Also, we thank those who sing in their church choirs. Music is such an important part of a worship service and so often sets the tone for the worship service.

In January of 1995, a Music Information Meeting is planned for all music directors. I will have a person speak to us about "copyright" laws and how to go about obtaining a copyright license for your church. This is an important issue for churches today and should be taken seriously. Also I hope to present new music, "Share Jesus Now", which is a part of the "Here's Hope" emphasis for 1995. This music is a collection of new and old hymns set in a "revival spirit".

I look forward to working with each of you in 1994-95 as we work together in music to glorify God.

Karen Brown

No. 31 **STEWARDSHIP REPORT**

Our churches in the Flat River Association should consider Stewardship as a vital part of Christian discipleship. Managing life and God's entrusted resources calls for commitment and growth. Our churches can help individual believers to understand biblical teaching on stewardship and to find ways to implement those teachings in daily living. Thus, by being an active participant in stewardship, the result is a real feeling of personal responsibility to God,and that has reflected itself in consistent growtn in giving.

Stewardship has strong biblical foundations beginning in Creation. Persons were made in the image of God and were made stewards or managers over the rest of Creation. The importance of stewardship was magnified in redemption. We are reminded in Colossians 1:16-20 that Christ is Lord over all things and in Him all things find their meaning.

A FRBA sponsored "Great Challenge" workshop was held in April at Oxford Bapt. Chr. This workshop was led by Talmage Williams, dir. of Stewardship for the Bapt. St. Conv. of NC, and the program featured biblical stewardship messages, testimonies, tracts, and a fellowship dinner. This program was designed to offer each of our churches a challenge in giving through the Cooperative Program and local missions. We had 18 churches represented and 68 people attended.

As Baptists and a member of the Flat River Assoc., we enthustically support the Cooperative Program which supports more than 4,000 foreign missionaries as they serve in over 127 countries of the world. The Cooperative Program also helps us proclaim the gospel to over 167 million non-Christians in the United States.

Congratulations to two churches for mission giving. The Hester and Providence Churches were listed among the top 100 churches in North Carolina giving by percentage through the Cooperative Program. According to the Biblical Recorder issue June 11, 1994, Hester ranked #32, giving 19.505%; and Providence ranked #44, giving 18.341%. We commend these churches and encourage other churches to follow the example. It is also noted that Mision Bautista Hermandad gave 10% of undesignated offerings through the Cooperative Program as well.

We are grateful to those churches that have increased their giving through the Cooperative Program and to associational missions.

Respectfully submitted,
Lucious W. Bullock, Jr.

No. 32 **HOME MISSION REPORT FOR 1994**

Approximately half of the Home Mission Board's support comes from individual SBC churches through the Annie Armstrong Easter Offering. Unfortunately, this offering continues to decrease.

The following categories summarize the Home Mission Board highlights:Chaplaincy Ministries,Church Loans,Language Missions, Evangelism, Volunteers, Church Evangelism Development and Administration.

This year our Associational Team went to Delaware, a youth team from Pleasant Grove went to Pennsylvania and a group from Mountain Creek went to Maggie Valley.

The Home Mission Board Bold Mission Thrust goals are not being met, and neither will the goals be met by the year 2000 unless we accept the challenge of the statement - "Missions Begin At Home".

Respectfully submitted,
Mrs. C. W. (Julia M.) Thompson

No. 33 **FOREIGN MISSIONS REPORT**

A message from Jerry Rankin, president of the Foreign Mission Board: "I believe we're seeing a spiritual momentum that cannot be deterred. This spiritual momentum means that God is moving."

God used Southern Baptists in foreign missions in 1993 as never before. There were 498 missionary appointments, bringing the total to 3,954. Overseas churches grew by 2,391, a 7.29 percent increase. For the third straight year, baptisms set a record, ending the year with 262,758. Church membership grew from 3.45 million to 3.74 million. There is a continued increase in the number of countries where missionaries work,up to 176,with missionaries living in 127.

World A peoples, those who have not had the opportunity to hear about Christ, continue to receive special attention from area missionaries and Cooperative Services International workers, Southern Baptists who provide humanitarian aid. More than 14 percent of the missionary force was assigned to World A along with more than $21 million of the budget.These workers helped establish some 37 new churches and baptize more than 700 people. They also began nearly 240 preaching pointss and worked with more than 130 churches with more than 54,000 members.

The primary mission of the Foreign Mission Board has always been to recruit, train and channel those missionaries whom God has called out from Southern Baptist churches. The budget emphasis continues to reflect that priority, even though income from both the Cooperative Program and Lottie Moon Christmas Offering have plateaued in recent years. It appeared giving to both were in an upturn by year's end. The giving by individuals, in addition to Lottie Moon and Cooperative Program channels, also helps meet financial needs and has become a more significant source of income for the board.

Respectfully submitted,
Mrs. Jimmie (Jannie) Preddy

No. 34 **THE STATE MISSIONS REPORT**

Most of the N. C. Missions Offering supports projects in the 80 associational (covering all 100 counties) across North Carolina. Many N. C. Missions Offering projects are actually association/state mission programs receiving money

and leadership support from both the Baptist State Convention and local associations.

For example, the Flat River Association automatically received 10 percent of the 1993 special offering collected in the association. Last year (1993), $1,931.73 of the $19,317.31 collected from 23 of the association's 34 churches and mission (listed below) was sent back to Flat River.

In addition to the money sent directly to the association, $5,400.00 was used in 1993 to finance mission projects in the association. These projects include:

$800.00	Migrant ministries
$600.00	Resort ministries
$4,000.00	Salary supplement for Hispanic church minister.

The N. C. Missions Offering also supports N. C. Woman's Missionary Union, N.C. Baptist Men (Brotherhood), Youth and Campus Ministries, and N.C. Baptist Assembly (Caswell). The number of individuals in the Flat River Association who participated in these programs in 1993 includes:

10	Boys to Camp Caraway
14	Girls to Camp Mundo Vista
108	Guests at Caswell
1	Missionary Kid*
2	Retired Missionaries*

*Missionary Kids,Missionary Parents,and Retired Missionaries receive birthday and Christmas gifts from WMU

The following churches in the Flat River Association gave to the 1993 special offering: Amis Chapel, Bullock, Butner First, Corinth, Creedmoor First, Enon, Fellowship, Hester, Island Creek, Mount Zion, Mountain Creek, Oxford, Peaces Chapel, Pleasant Grove, Poplar Creek, Providence, Rock Spring, Sharon, Stovall, Tabbs Creek, Tally Ho First, Tungsten, West Oxford.

No. 36 **PERSONNEL COMMITTEE REPORT**

The job of the Personnel Committee is to evaluate the work of the associational staff and to make recommendations to the Finance Committee any salary changes that are advised. Since no one on the Personnel Committee works directly with the staff, we found it hard to constructively evaluate them. We are working on a self-evaluation form for each staff member to fill out once a year. When this is completed, we hope that it will help with this part of the committee's job.

Anyone with questions or concerns about staff or personnel policy should contact the committee chairperson.

Members of the Personnel Committee for 1993-94 are Edward Chandler of Florence Avenue; Ricky Floyd of Peace's Chapel; Dot Gupton of Mount Olivet; Rev. Randy Bridges of Hester; Rev. Carl Hunter of Mount Olivet; and Marion Powell of Sharon.

Respectfully submitted,
Marion Powell, chairperson

No. 37 **FRBA PROPERTY COMMITTEE**

The FRBA Property Committee discussed several minor maintenance items regarding the associational office building. Several items were deferred for further study and pricing. An old fuel oil tank located behind the associational office building was removed and the dirt was replaced. Gravel was also spread in the driveway.

As discussed in the 1993 Annual FRBA Property Comm. report, our associational van, a 1986 model, was approaching 100,000 miles and facing major costs for tires,repairs, etc. After considering several options, the Property Committee recommended the purchase of a 1994 Dodge, 15 passenger van from Feeser Chrysler Plymouth Dodge in Henderson, N. C. The van was fully equipped with full warranty and had less than 20,000 miles. The purchase price was $18,765. and financing of $15,000. at 7.5% interest was negotiated.

The Property Committee also recommended that the 1986 van referred to above be used for the Hispanic ministry and as a reserve vehicle for short trips for church groups. It was further recommended that the 1985 van, which the Hispanic ministry was using, be sold and the proceeds from that sale be applied to the 1994 Dodge van loan.

The FRBA general board members were asked to vote on these recommendations and over 90% of the ballots cast were in favor of the van purchase. The 1994 van is currently being used by member churches and for associational trips. The 1985 van is presently for sale.

During the year, the vans were used by 19 churches for 54 trips carrying 410 passengers averaging eight per trip for a total of 15,828 miles. There have been nine associational trips with an average of nine passengers per trip for a total of 3,354 miles.

No. 38 **AMERICAN BIBLE SOCIETY REPORT**

The American Bible Society is a nonprofit organization whose purpose is to provide Scriptures in a language that everyone can understand and at a price which they can afford to pay, and without doctrinal comment.

For financial support they depend upon free will

offerings from individuals, churches and church groups. The Southern Baptist Convention is one of the many church groups to whom ABS expresses deep appreciation for their generous offerings.

In cooperation with United Bible Societies around the world, ABS practices good stewardship by printing Scriptures in the country where they will be used.

SBC missionaries greatly appreciate the work of ABS for the availability of affordable Scriptures on their fields of service.

Much of the work of ABS is done by volunteers. The Scripture Courtesy Center in our associational office is a part of this. A volunteers' work may be as simple as the distribution of one or more Scripture portions of their choice. ABS is very grateful for every volunteer who hands a Scripture portion to another person.

It would be a very good thing if each church in our association would elect an ABS representative and, at least once each year receive an offering for this worthy cause.

Respectfully submitted,
Mertie B. Davis

No. 39 **THE BIBLICAL RECORDER REPORT**

The rapid changes taking place in our world have produced distorted values, violence, threats and uncertainty and the surrender of much that is good and wholesome while creating false heroes who fail. Baptists must rise up to face these decisions and issues before our window of opportunity is lost forever. We must not squander our heritage from yesterday and our mission for tomorrow.

These issues cannot be address without correct and reliable information. **The Biblical Recorder** was born and continues to serve for that purpose.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. The most important thing facing us at this point is to get the **Recorder** into more Baptist homes than ever before.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. For subscription information, contact: The Biblical Recorder, 232 West Millbrook Road, Raleigh NC 27609. This article adapted from the Biblical Recorder Associational Report.

UPDATED HISTORY OF DEXTER BAPTIST CHURCH

Dexter Baptist Church, organized April 29, 1906, had twelve charter members and Elder Robert Henry Marsh was the first pastor. This church was admitted into the fellowship of Flat River Association on July 10, 1906.

Membership surpassed one hundred for the first time in 1919-20 and statistical report to the Association for 1993-94 noted a membership of 266. Sunday School has been conducted from the beginning.

This church was first featured in the 1975 FRBA Annual. This is an attempt to update since that publication.

New sanctuary lights given in memory of Mrs. Esther Hicks in May of 1980. Outside bulletin board given in memory of Mr. Clarence Green in December of 1980.

Mrs. Sherwood (Virginia Hicks) Fuller was ordained as first woman deacon in 1983.

Woman's Missionary Union and Brotherhood organizations continue to lead this church in mission education.

A two-story addition was added to the East side of the church in 1984 with the addition including a pastor's study, three class rooms,two bath rooms and additional dining area.

In 1975, Rev. Robert Price was serving as pastor and he served until 1976. Rev. Neil Woodlief was called as pastor in 1977 and continues to lead this congregation to present.

UPDATED HISTORY OF FELLOWSHIP BAPTIST CHURCH

Fellowship Church was organized in 1840 under the leadership of Rev. Zachariah Allen and Rev. Allen Wynn. The constitution was adopted on April 7, 1840. There were 18 charter members but there are no records of the names of these original members.

The first history of Fellowship was publised in the 1975 edition of the Flat River Association Annual. Since that time,members have been faithful in providing facilities for worship. In 1977 the sanctuary was completely renovated and furnished. The years since have seen numerous projects undertaken and completed. The fellowship hall was aid conditioned in earlier years and, more recently, that part of the church was renovated and modern cooking facilities added. Lexan was installed over the stained glass windows and improvements such as additional parking and more lighting have been done on the church grounds. Renovations and central air conditioning have been done at the parsonage.

A great asset was thee installation of a new sound system with chimes in 1985 in memory of Deacon Harry Lee Carden.

Since 1983, there has been an increased interest in missions work. That year, a team of members went to West Virginia to do missions survey work. Beginning in 1987, we have been a part of work being done in Honduras. At least four trips have been made to assist Larry and Jean Elliott, (Larry is a native of Flat River Association), in their

efforts to build churches in Honduras. One of our young women, Gayle Terry (Palmer) spent part of one summer in Texas and Mexico as a missionary nurse.

Our most unique work was begun in 1991 with the offering of our facilities to begin a ministry to the migrant workers in the area. This has progressed as a year-round activity known as Mision Bautista Hermandad. Rev. Paul Flores,now a graduate of Southeastern Baptist Seminary, has been and is presently pastor. The entire Flat River Association is participating in building a church for this group. Some of our members have been an integral part of this work.

Michael S. Vaughan, a young member of the church, was licensed and ordained by the church. This summer, Alan Temple served as youth minister at Calvary Baptist Church in Reidsville.

Fellowship Church celebrated its 150th anniversary in 1990. This was a time of remembering how gracious God has been to this body of believers over the years past. A catered meal was enjoyed by all attending.

In 1975, Tony Wilson was pastor. Following Rev. Wilson were Donald Dewyatt Cashwell, 1979-82; and Daniel Conley Hill, 1983 to the present.

As the song says, "PRAISE GOD FROM WHOM ALL BLESSINGS FLOW."

THE ANNUAL SERMON AT FRBA 201ST ANNUAL SESSION HELD AT GRASSY CREEK BAPTIST CHURCH, OCTOBER 17, 1994

MY SHEEP HEAR MY VOICE
JOHN 10:22-30

One particular Sunday morning, a woman got up and went to church, leaving her husband asleep in the bed. When she returned home, her husband asked, "What did the preacher preach about this morning?" She thought about it a minute, then replied, "You know, I don't know; he never did say".

I'm not going to be guilty of that tonight; I'm going to tell you right off the bat what I'm preaching about: **COMMUNICATION.** I firmly believe, and I hope to point out tonight, that proper communication between our individual selves and and our Savior can and will lead to better communication between ourselves and our brothers and sisters in Christ, especially those brothers and sisters who share the wonderful heritage of this thing we call the Flat River Baptist Association. I'm very honored to be with you tonight on this special occasion. Thank you for being here, and I thank the Lord Jesus Christ for being here in our midst.

How would you define the process of communication? To me, communication is nothing more than a process wherein two parties are connected; during this process, one party sends a message, while the other party receives that same message. Whether or not communication is successful depends entirely upon whether or not the sender and receiver properly connect. If neither party sends a message, communication is not possible. If neither party receives a message, communication is not possible. If the message received differs from the message sent, communication is distorted. Communication occurs only, and is successful only, when the two parties (the sender and the receiver) properly connect.

There are two main hindrances to true, genuine communication:

1. THE SENDING OUT OF AN IMPROPER MESSAGE

A. The minister was preaching a beautiful eulogy at the funeral of a departed church member.At the end of the eulogy the climax of his eloquent speech, he concluded by looking down at the casket in front of him and saying, "Brothers and sisters,all we have here is the shell; the nut has gone on". An improper message was sent out!

B. A very popular pastor in a certain community got sick one Sunday morning, and he called a retired minister to ask if he would fill in for him and preach the morning sermon. The substitute agreed, but felt inadequate in filling in for such a good preacher.When he entered the pulpit,he struggled for a metaphor that would express his humility in the task. He said,"I feel inadequate in taking the place of your minister this morning. He is such a good preacher, a man who brings light just like the sunlight through a clean pane of glass. I, on the other hand, am like a piece of cardboard that you have seen substituted for the pane in a window". He went on to preach a pretty good sermon. At the door afterwards,a good, polite sister of the church gushed, "Preacher,you're no piece of cardboard; you're a real pane". An improper message was sent out!

C. I was visiting one of my shut-ins at a nursing home one day. As I had done many times before,I began the conversation by asking about her family. When I asked her how her sister was, she proclaimed proudly, "Oh, she thinks more of you than I do!" An improper message was sent out!

D. A well-meaning deacon wanted to give his utmost support to a young pastor, so he approached him one Sunday, immediately after the worship hour was concluded. He put his arm across the shoulders of the young pastor and said, "Son, I want you to know something; every sermon you preach is better than the next one". An improper message was sent out.

E. You know, a Message has been properly sent out to us; the greatest Message of all. This is the Message of the wonderful news about Jesus Christ. But I hope you noticed from our scripture reading that this is not only a Message **about** Jesus Christ - we are being sent a Message **from** Jesus Christ. Did He not say **"My sheep hear My voice?"** This means that the Message is coming directly from Him. Since the Messenger is perfect, we can conclude that the Message is perfect,and furthermore that it is being perfectly sent out.

2. A LACK OF CLEAR UNDERSTANDING ON THE PART OF THE RECEIVER

A. My Aunt Clyde, who had hearing problems for practically all her life, was entertaining a visiting minister for lunch one Sunday, after he had delivered the morning sermon at Providence Church. When she offered him a second serving, he responded in a very polite way by saying, "No thank you,I have had an eloquent sufficient quantity". Aunt Clyde looked at him very quizzically, because she thought he said that he had had an elephant, two fish, and a donkey! On another occasion, an elderly lady in the community came by to visit Aunt Clyde one afternoon. When Aunt Clyde asked her what she had been doing, she said "Reading the Bible". This made perfect sense, but not to Aunt Clyde, who thought this elderly lady said that she had been weeding tobacco! In both instances, there was a lack of understanding on the part of the receiver!

B. A potential new preacher had just delivered his trial sermon,during which he had used no notes. After the service, he was being interviewed by the board of deacons, who curiously asked, "Preacher, do you use notes?" Without a bit of hesitation, he responded, "Well, yessir, sometimes I do, but I prefer cash". There was a lack of understanding on the part of the receiver!

C. Remember the Message we talked about a few moments ago, the One being sent not only about Jesus Christ,but also from Him? How clearly are we receiving that Message? He said **"My Sheep hear my voice".** Have we heard the voice of Jesus Christ tonight? At any time during the day today? This past week? This past month?

Let me ask you something: What distinguishes the church from a civic organization like the Civitan Club, the Kiwanis Club, the Lion's Club, or the Junior Woman's Club? Both are organizations, or associations, of like-minded people. Both have to be run with honesty and integrity. Both should feature the components of fun and fellowship, while simultaneously doing something to, in some way, benefit society.

What then is the difference? In my estimation,the difference between a church and a civic organization is communication. This communication that I'm referring to is not communication with other men and women,because obviously civic organizations have to have this to survive. The communication that I'm referring to is direct, on-line, constant communication between our individual selves and our Savior Himself. To me, that is exactly what Jesus meant when He said, **"My sheep hear my voice".**

I could stand up here for quite a while trying to explain to you my call into the ministry. However, I will not dishonor God by trying to explain all the earthly circumstances, situations, and nuances of a heavenly calling. Suffice it to say that I heard His voice.

I ask each of you,on an individual basis,to start really listening for the voice of Jesus Christ. It is far more important than programs, seminars, or just "keeping busy". The key here is communication; real, genuine communication between our individual selves, and our Savior. Once that is established, we will be able to more deeply, meaningfully, and lovingly communicate with one another.

Aunt Clyde was a lady who had very weak ears. There is no question, though, that she was a sheep who very clearly heard the voice of her Shepherd. Perhaps we can learn something from her.

Pastor, Poplar Creek Baptist Chr.

(NOTE: Following are excerpts from the address made at the 201st Annual Meeting at Creedmoor First Bapt. Chr. by Rev. Daniel F. Page, a former director of missions of FRBA, and now director of Church Extension, Bapt. St. Conv. of S.C.)

Thank you for this opportunity to return to this annual session. Lib and I shall always be grateful for the years of training and development we received here. Even after more than twenty-two years since we were here, it does not stop the great memories of the great churches and people of this Association.

I bring greetings today from your brothers and sisters in South Carolina. We are very involved in a ten years emphasis on Empowering Kingdom Grown in our churches and we're grateful for the movement of God in our Convention.

Upon receiving the invitation to return to Flat River, I was really excited and wish I could have been here last year to hear Rev. Roger Williams share with you about the past of associationalism.

I have read, thought and spent a lot of time in prayer about this subject of the future role of the association in the 21st century. I am reminded of the statement of Apostle Paul to the elders or pastors of the churches in Ephesus

which was like an association of churches. In Acts 20:28,he said,"Be on guard for yourselves and for all the flock,among which the Holy Spirit has made you overseers, to the church of God which He purchased with His own blood". This verse reminds me daily that the church is very precious to the heart of God. Someday, according to Paul, Jesus is going to present the Church to Father. It is in that concept I come to share with you as I think with you about the future of the association and associationism in the 21st century.

In the Gospel of John, the second chapter...Jesus comes into the temple and causes all kinds of chaos. The confrontation was so strong the Jews...came to him and asked him to "show us a sign for you doing this to the temple"...then Jesus answered back "destroy this temple, and in three days I will raise it up." Those words followed Jesus until He hung on a cross outside the city of Jerusalem.

Listen folks,those words were words of a shift in thinking of the people. The Jewish leaders did not understand and they fought Him all the way to the cross. The followers who walked with Him on the dusty road of Palestine did not understand it all the time and they kept constantly probing to find the answers. The sad thing about this confrontation is that we of the 20th century don't fully understand what the man means by what He said to us. There are some of us in this room this afternoon who do not want to shift our KNOWLEDGE GATHERING SYSTEMS, OUR ATTITUDAL SYSTEMS, AND BY GEORGE, NOT BEHAVIOR SYSTEMS. We want the association to be like it was when it started 200 years ago.

Awake up dear brother and sister, this is the 21st century. The challenge before us is to affirm and build on the strengthens, remove the blockages in the way of the Kingdom of God, and recommend to the churches that the association is servant of the churches and the director of missions is not an executive but a missionary. The day of the professional director is over. The day of the missionary director has come.

I am an optimist and rescurer about the future of the association. However, there are some associations who may elect to fade in the past because they will not face the future with their heads held high under the leadership of missionary of Jesus Christ. But there are some associations like this one who have elected to have a FUTURE. You will not choice to allow para-church groups come into your churches and replace the servant ministries of the association.

The 21st century may see us divide but it is the association that I am the most optimistic about the future. We have always been a diverse group of churches but we maintained an unity by a common purpose of serving the churches and the churches cooperating together to reach a society of lost, unchurched, hurting, and displaced people with the centerality of the gospel of Jesus Christ who said **"I WILL BUILD MY CHURCH".**

The 21st century cannot allow the association to form or function in **MEDIOCRITY.** There is no place in the future of the associationism for mediocrity and it cannot be tolerated anymore. The future for the association is that it must adopt a principle of leadership of **WANDERING AROUND.** This principle will focus on the new rather than keeping the old alive - this principle is going to see a shift in the dispersement of the funds of the association. Money will shift from those who saved to those who will spend..the association will have to send creditable persons with creditable causes to raise the faith budget of the association.

The 21st century association has a future if it stops fighting causes and begin being a source to counteract secularism. It will do it by moving to helping, serving, churches in mission, ministry, etc. in order to have a future. The polity of the association should not replace the doctrine intergrity and autonomy of the local church. The association of the future will and must ask the **WHAT IS NEEDED BY OUR "CUSTOMER", "CLIENT" AND HOW CAN WE SUPPLY IT?** The association of the future is going to have to reaffirm the basic doctrine of the New Testament. The Priesthood of Believers, and The Giftness of the Believers, and these people become the servants of the association by giving of themselves to the future of volunteering. The association must discover the whole system of voluntarism and the needs are too great. The future concept of the department of volunteer resources of assimilation, concept, discovery, matching with specialized application, placement, coaching, visioning, administrative support, and leadership development.

If I am reading the future right,the churches of October 18, 1994 are interested in the future where the association has clearly defined beliefs system..clearly defined mission system..projects high expectations from the churches and of the people of the churches. There is a continuing focus of meeting the spiritual needs of people. Choices are expected.

These associations expect lives to be transformed in the churches every Sunday and every day of the week.

My dear friends, the future 21st century leadership of this association must recognize these factors and plan for the future with assurance of God's eternal preseence and leadership in the midst of His churches. Remember, Jesus did destroy the old paradigms, the old traditions, and so must we be willing to follow His construction plans of the 21st century in the Flat River Baptist Association.

The world of this association has changed in the last twenty-two years. There are different people here today. We must learn to reach all of them - the white, the red,the brown and the black - for Jesus in this association. Just remember - it is not what is on the outside but what is on the inside.

--Daniel F. Page

(NOTE: Following are excerpts from the address made by Dr. Roy J. Smith, executive director/treasurer, Bapt. St. Conv. of N. C., at the 201st annual session of FRBA. His address was made at the Creedmoor First Bapt. Chr. on Oct. 18,1994.)

Thank you so much for the opportunity for sharing with you in the annual session. I am grateful for this excellent attendance at the annual associational meeting. It is my firm conviction that the association is the most important entity in Baptist life other than the local congregation.

I would congratulate you on your 200th anniversary celebration (200 years old). So far as I can tell, this is the fourth oldest association still in existence in North Carolina. There have been other associations started before yours but they have ceased to exist. I don't know how many churches were in existence when the association was established, how many churches in North Carolina, 272 churches in existence in 1830 when the Baptist State Convention was organized; but you were in existence 36 years before the Baptist State Convention. You were in existence 51 years before the Southern Baptist Convention was organized.So this association has been a part of the total growth and development of our nation, the United States of America, as well as our denomination, State Convention and Southern Baptist Convention. You have a vital and rich history and heritage.

In reading THE HISTORY OF NORTH CAROLINA BAPTISTS by

Huggins, he makes just a brief reference to the Flat River Baptist Association, but it is a significant reference. He refers to the Flat River Baptist Association as a progressive and very influential entity in the Baptist work of North Carolina. So this association has been vitally involved in all that has taken place in our denomination from the very beginning. I hope that you will follow the mandate of the theme you have chosen for this meeting and make your rich history and heritage of 200 years of life prelude for a march forward into the future as God gives you that opportunity. If I had a text, it would be from Exodus, chapter 23 and 32 and 33. In those three chapters, God, three times says to Moses, "Go forward and My Spirit will go with you." I would challenge you in these brief remarks this evening that you would sincerely commit yourselves to go forward as a people of God in the Flat River Association as you celebrate 200 years and then as you cast your eyes toward the future and whatever it is that God has in mind for you to accomplish as His people here in this place.

There are four words I want to say about your forward march into the future. They are built around what I perceive to be the central characteristics of a Baptist association. I would challenge you to **GO FORWARD IN THE BUILDING OF CHRISTIAN FELLOWSHIP.** The word "fellowship" is a rich word in Scripture. I don't know many Greek words but I do know the one that refers to that, it is "koinonia" and it is so much richer and fuller in the New Testament meaning than what we usually apply to that term when we talk about fellowship. We say we are going to have fellowship after church. We usually mean we are going to have refreshments and we are going to have some social time together. Or we say we will have a fellowship breakfast, or we'll have a fellowship dinner. They may or may not be fellowship in the context of Scripture. It's not defined, but we find some good clues as to what it means in Acts 2, 3, and 4 as we have a description of the first church that came together in Jerusalem. Words such as "and they were together," "one accord," "all things common," "united" describing this thing we refer to as fellowship. The word "fellowship" carries with it a mutual acceptance of one another in complete trust. Man, that's a mouthful right there that we could preach on all night. A mutual acceptance of one another in complete trust.

I tell you, my beloved friends, if I have any grasp at all as to what we need in our denomination today it is a rebirth of what the New Testament means when it talks about Christian fellowship. And that does not start at the top and is handed down but it must grow from the bottom up as Gallup said in his observation. It must begin in the local church and in the local association. And if we don't know what fellowship is like here, it is impossible for us to experience fellowship on a State Convention level or on a Southern Baptist Convention level. Go forward in building fellowship. It is the most important building block, I think, in denominationalism today.

The second word I would give to you is to **GO FORWARD IN MAINTAINING DOCTRINAL INTEGRITY.** The association is the only organization in Baptist life that is equipped to deal with the matter of theology and doctrine outside the church. The association is the only entity that churches "join". You don't join the Baptist State Convention. A whole lot of Baptist don't know that. The convention never votes on whether you can be a part of it or not. You affiliate with the Baptist State Convention. You don't join the Southern Baptist Convention. You affiliate with it, cooperate with it. You do join the association and the association has some rules about who can and cannot be a part of that fellowship. That's the way it ought to be because the association is a place where Baptist doctrine was hammered out. And the association is the place where Baptist doctrine is to be preserved. If you're going to believe any one thing in the world that is essential to get you in the pearly gates of heaven,you've got to believe in the Lordship of Jesus Christ that He alone is qualified to be the Savior of mankind and the Savior of the world. You become a part of the kingdom of heaven by submitting your life to the Lordship of Jesus Christ. So the number one concern Baptists have always said is that the Lordship of Jesus is paramount in our system of beliefs. The second thing that we agreed upon was that our authority is not in the church;it is not in the association; it is not in a convention; it is not in the conglomeration of all these things but our authority is in the divinely inspired Word of God. You see, whenever you determine what your authority is, you are going to set the pattern for who you are and what you can do. So that Baptist said that we believe that the Bible alone is the sole authority for what we believe and what we do, and so we have always been known

as "a people of the Book"; and we insisted upon this Bible as being our own creed and we have never been ones who would adopt a creed.

The third thing that Baptists came up with in their set of beliefs was priesthood of the believer. That means we are accessible to God through Christ. We don't need a preacher, nor a pope, nor a priest,but it means we are responsible for ourselves to God also. We can blame no one else for our spiritual condition. We also have another doctrine that is very precious to us and that is our autonomy. That means that every church, every Baptist church, is the supreme authority in what it does. That the authority flows from the church down and never the other way around. Insist on maintaining doctrinal integrity in your churches and in your association. Go forward, in being a lighthouse on a hill that is saying to the world, "these are the things we champion and believe in under God and we give ourselves to as a people in the association."

The third challenge is to **GO FORWARD IN YOUR MISSION ENDEAVOR.** You see all Baptists were not born missionary Baptist. It is in the association we learn missions if we learn it at all. I believe with all my soul that unless you are interested in missions in Creedmoor and Oxford and the Flat River Association, you are really not interested in California, nor Brazil, nor Ukraine. You see, Jesus said the field is the world. There is no difference in missions here in this community and missions anywhere else in the world. So I would challenge you to go forward in your missions, for, if you believe in missions here, you believe in missions everywhere. My soul! What an opportunity we have to be personally involved in hands on missions here at home and around the world.

My last word is to **GO FORWARD IN VOLUNTARY COOPERATION.** That defines us as Southern Baptist volunteering cooperation for you see our denomination is made up of a group of independent-minded,Great Commission Christians who are not going to grant any source in the world authority over conscience, our religion, but who have voluntarily agreed to cooperate together to fulfill the Great Commission of Jesus Christ. It is my conviction we'll never be successful in evangelizing the world unless we recapture the excitement and sense of voluntary cooperation that brought our forefathers together particularly in the 1920's as they caught a glimpse of a way

of uniting together in world missions that would make it possible for every single Baptist to be involved in every single ministry of a local congregation, of a local association, of the Baptist State Convention and the Southern Baptist Convention.

You have a tremendous history and heritage, rich and full with the blessings of God, that have been upon you from day one until the present time. But beyond that, you have an opportunity that is unparallel in the history of the Christian movement. An opportunity that God has given you and me by the simple fact that He has let us be alive in 1994 to have the privilege of impacting our world with the gospel in the way that no other generation has ever had the privilege. So I would challenge you, remember your history and heritage, regularly go back and look at it, thank God for what He's done and use it as a prelude to go forward for God has said "as you go forward, My Spirit will go with you that you may accomplish that for which I have sent you into the world." May it be so by His grace. Amen.

Sunday School Report

"Carry The Light" is the new Sunday School emphasis that will carry us to the year 2000. Our Associational Sunday School Improvement Support Team (ASSISTeam) attended the State workshop held back in February in Cary.

In order to offer Flat River exposure to this new and exciting theme, a Sunday School workshop was held August 29 at Oxford Bapt. Chr. We encourage each to offer the Going One On One, a comprehensive guide for making personal visits by Harry M. Piland.

In March our associational Vacation Bible School staff was trained to return to Flat River Association to help prepare our association for their efforts in VBS during the Summer of 1995. We had 94% of our churches reporting to have held VBS this year. Let's shoot for 100% in 1996.

Sunday School is a vital part of the evangelism effort of all churches in Flat River. The Bible is the most important source for all programs in our churches and in our association. Flat River should be grateful and thankful for the dedication of our ASSISTeam: Rev. Bob Wainwright, dom; Rev. Carl Hunter, director; Mr. Steve Timberlake, adults; Rev. Cheryl Brooks, youth; Mrs. Faye Cannady and Mrs. Donna Slaughter, children; and Mrs. Anita Harrison, preschool. The VBS team consisted of Rev. Carl Hunter, general officers and VBS directors; Rev. Bob Wainwright, dom; Rev. Bob Baynard, pastors; Mrs. Bridget Cavey, BBC/Missions VBS; Rev. Roy Vestal, adults; Rev. Pat Cox, youth; Mrs. Anita Harrison, middle children; Mrs. Dorothy Lane, younger children; Mrs. Jane Ruddy, older children; Mrs. Barbara Kearney, older preschool; and Mr. Harold Richard,younger and middle preschool. All of these special people are to be recognized of their, energy and talents toward improvement of Bible teaching in Flat River Baptist Association during 1995.

Prayerfully submitted,
Rev. Carl Hunter, FRBA Sunday School Dir.

I love Discipleship and I love the prophets. I wonder, "What would a prophet like Elijah say if he were here today?"

If you, personally, and your church, corporately, are not involved in discipleship, you are disobeying Jesus Christ! And if you are not obedient, your salvation is in serious doubt! Jesus, frustrated with the hard-headedness of false believers, cried out, "Why call ye me, Lord, and do not the things which I say?" (Luke 6:46). A pastor that is not discipling is a false pastor. A church that is not discipling is a hypocritical, dead church. A Christian that is not discipling needs to work out his salvation "with fear and trembling," as the Apostle Paul would say.

Now, mind you, I am not promoting a program. To tell you the truth, I could not give a rip about starting, or being part of, another program. Programs in Baptist life have often replaced true discipleship, soothes and deluded the consciences of the laity by presenting a misdirected alternative to actually living out the gospel, fooled the pastor into thinking that somehow the number of warm seats are truly indicative of spiritual growth, and have been just one, big waste of my time and yours. As my daddy would say, "that's a bunch of garbage!"

Without the Spirit of Christ working in our lives in devotion, and through our lives in witnessing during the entire week, we're just playing at Discipleship. The association has not kept up with the growth of the population in this area. Look at the statistics for the last twenty years and you will see that the status quo is killing the Baptist witness. We don't need another program. We don't necessarily need different leadership. What we need is a holy dissatisfaction with the status quo, a willingness to part with Spirit-dampening, Word-deafening tradition, and an old-fashioned on-your-face submission to the almighty God by everyone who calls him- or herself a Southern Baptist!

If we don't wake up, confess our sin of apathy, repent of our laziness, and turn back to Jesus Christ, we will be replaced. God will turn to the pentecostals and the Catholics to find a people willing to obey.

Last year, your DT director opened his report with, "this year has been a relatively quiet one for Associational Discipleship Training." What an understatement-half of our churches don't even have a program of discipleship."This

year has been a relatively quiet one." Your evangelism, Sunday School, and missions director should have said the same thing! Without discipleship, Southern Baptist statistics have proven, you will not have many baptisms, nor growth in the Sunday School, nor in the worship service.

Oh, but Elijah, there might be some little clouds on the horizon! I have heard of churches "Experiencing God," of youth being taught "Right From Wrong," of laypeople actually partaking in "Continuing Witness Training," and of the little ones in Bible Drills. But these are just little clouds, Elijah! And they are so faint! Keep praying,Elijah! Keep praying! Maybe, just maybe, God will send us a mighty wind, a hurricane-force dose of the Spirit accompanied by an outpouring of the waters of salvation! Oh, Lord, send us a revival! Oh, Lord, make us disciples! And, oh, Lord, if the false prophets, whether clergy or laity, won't submit and worship you. Oh, Lord, if those prognosticators of pop-psychology, pseudo-philosophy, and comfortable religion keep leading your people astray, take care of them like you did in Elijah's day!

Jesus has some famous last words, before his ascension, known as the Great Commission, "All authority has been given to Me in heaven and on earth. **Go** therefore and **make disciples** of all the nations, **baptizing** them in the name of the Father and the Son and the Holy Spirit, **teaching** them to observe all that I have commanded you; and lo, I am with you always, even to the end of the age (Matthew 28:18-20,NASB).

You've been given the power, you've been given the presence, you've been given the pronouncement-make disciples by going, baptizing, teaching--, what sin is keeping you?

That's what Elijah would say!

Prophetically submitted,
Rev. Malcolm B. Yarnell,III

No. 4 **Woman's Missionary Union Report**

The WMU theme for 1994-95 has been, appropriately, "A Time to Grown". All of us have been involved in growth and change this year, learning to be flexible and adaptable,trying to understand the importance of letting go of those practices which are outmoded while being careful to retain the ones that are timeless in their value. All the while the basic concern of WMU has been, and always will be, to serve our Lord in the best possible way, using the talents He has given us and seeking to become the persons He created us to be. The goal of the FRBA WMU is to teach,train and encourage

Christians to carry out the Great Commission.

Many of our WMU Leadership Team members have attended conferences and training sessions at Ridgecrest, Caraway and Raleigh during this year, to further assist us in learning and implementing the new procedures.

The 86th Annual WMU Spring Meeting was held in March at Tally Ho First Bapt. Chr. with inspirational messages by Rev. and Mrs. Wayne Walton, missionaries to Burkina Faso,and our own Kaye Albin of Enon Chr. who presented a wonderful witness concerning her mission trip to Mexico.

Our Associational Training Conference was held in September at West Oxford Bapt. Chr. with 103 women,representing 23 churches, attending.

The Baptist Men/Baptist Women,Acteens and Baptist Young Women held banquets. Mission Friends and GA's had day camps. The Acteens attended Acteens Day at Campbell Univ. Baptist Women, Baptist Young Women, GA's and Acteens held foreign and home mission studies. All organizations supportedd our Christmas ministries. We now have 31 churches reporting some WMU work in their churches as well as mission action at Mision Bautista, which was dedicated in May.

We are grateful for the support each of you give us in the ministries we seek to carry out.During this transitional period, we hope to see many more opportunities develop to involve not only the WMU members but entire congregations in service to our Lord. The focus of WMU has expanded to include not only praying and giving to missions, doing and learning missions, but also developing spiritually toward a missions lifestyle. We find this an exciting concept and we hope you will, too.

Respectfully submitted,
Mary Strickland, FRBA WMU dir.

No. 5. **The 1995 Brotherhood Report**

The goal and objectives of N. C. Baptist Men is to help churches in the Baptist State Convention involve their men and boys in missions. N.C. Baptist Men have 13 different ministries that are worked on in the state, the nation and worldwide. These being Disaster Relief, Medical-Dental missions, overseas mission projects, Aviation ministries, Agricultural missions, Family Foundations, correctional ministries, construction projects, Lay Renewal, Lay witness, Resort & Recreation ministries, Prayer Support, and sports in mission.

We have had a number of men and women help in several

of these ministries. It gives you a great sense of the need for mission works to go on one of these work tours. Pray that God may help you to become involved in some of these projects.

Some of our local activities during the past year was the Bapt. Men/Women Banquet held in the beautiful fellowship hall at Pleasant Grove Chr. Approximately 500 people were in attendance. Next year, the banquet is planned for Jan. 26, 1996 and again to be at Pleasant Grove Chr.

In March, there was a RA Car/Mission Fair competition where the boys make their car and complete a mission fair exhibit. The RA Track Meet is held in April. There are a number of different events the boys can choose to participate in according to age groupings.

The RA Conclave (overnight camping) was held May 19-20 at Stateline Bapt. Assembly near Clarksville, VA.

Participation in each of the above events was small. There were 9 churches represented at the Car/Mission Fair Competition; 4 churches at the Track Meet with about 25 boys; and 2 churches with 20 boys at the Conclave.

One other ministry N.C. Bapt. Men are involved in is Camp Angel Tree. This is in cooperation with the Prison fellowship. The week at Camp Caraway is for boys who have a parent in prison. Any church, Sunday School class or any individual may sponsor a boy by paying his expenses for a week at camp. This was the second year for this camp and over 100 boys attended with 34 of these accepting Christ at the end of camp week.

There are so many people hurting around us and I hope you will help me get more men and boys involved in various projects to help those in need. Pray with me and our FRBA Brotherhood Committee as we plan for the coming year that whatever we do, we will glorify God and build up His Kingdom.

Respectfully submitted,
George S. Gresham, FRBA Brotherhood dir.

No. 6 **1995 North Carolina Baptist Hospital Report**

The N.C. Baptist Hospital was founded in 1922 as a missionary enterprise of N. C. Baptist churches. Its purpose has been to carry out a ministry of healing as taught by our Lord.

The Hospital itself has an employment of 5,544. Add to that the staff of the Bowman Gray School of Medicine and we have a total of 9,000 employees. It is an 806-bed facility

that provided care for 23,712 inpatients this year. More than 500,000 patients were cared for through the Outpatient Department.

A lot is going on at our Baptist Hospital. The creation of a new division, "Pastoral Care and Church Relations" probably concerns the churches in the Flat River Association the most. This is a department consisting of four ministry components:

1. Chaplaincy and Pastoral Education - This is the old stand by educational forum to train ministers in counseling through the local church.
2. Center for Congregational Health - This is a relatively new ministry to churches, pastors and staff that provided leadership in troubled times of staff/church relationships. This department trains "Intentional Interim Pastors" to help lead churches through troubled waters.
3. Department of Church and Denominational Relations -Baptist Hospital wants the local church and association to know about the ministry it performs in the name of our Lord and His Church.
4. Pastoral Counseling - There are thirteen strategically located counseling centers across the state that provided 27,000 ministry hours last year.

Many things are going on at Baptist Hospital in these rapidly changing times of medical care. Our Hospital seeks to deliver health care in the midst of these changes in a manner consistent with love and grace as exampled by our Lord.

If you have not visited The Baptist Hospital recently, do so in the near future. The staff of the Hospital is grateful for your financial and prayer support.

Respectfully submitted,
Emmanuel P. Pegram, FRBA NCBH representative

No. 7 **Personnel Committee Report**

The Personnel Committee has been very busy since April. We have spent approximately 45 hours in meetings to discuss issues relevant to the position of director of missions. We first established some guidelines for the process of finding a new director of missions. Then we worked out a questionnaire and sent it to the churches to be filled out and to be returned to us. Forum meetings were held in three different locations in order to get some input from all of the churches to help with the process. We reviewed the questionnaires that were returned and the information that we received at the forum meetings and set some guidelines as to the characteristics and qualifications of the person that

God has for us. We have sixty resumes which we have been reviewing with these characteristics and qualifications in mind.

We have interviewed two possible interim director of missions. We will be presenting our recommendation to the FRBA General Board on October 26, 7:30 pm, at Oxford Bapt. Chr.

We are following the Lord's leading in this entire process. We pray for God's guidance in our individual lives and in every aspect of this committee's responsibility. We are very aware of the magnitude and importance of the choice that we prayerfully bring before the General Board and the Association. We thank you for all of the prayers and support that each one has given us. Please continue to pray for God's will to be followed and accomplished in this task of securing our new director of missions.

Prayerfully submitted,
Marion Powell, chairperson

No. 8 **Foreign Missions Report**

Based in Richmond, VA, the Foreign Mission Board of the Southern Baptist Convention sends missionaries to minister to the physical and spiritual needs of people around the world. Currently the mission board has more than 4,000 missionaries assigned to more than 133 countries in almost every part of the world.

The FMB's 1995 budget is slightly more than $186 million, with the largest portion of the funds coming from a single missions offering collected annual at Christmas. The Lottie Moon Christmas Offering provides 46 percent of the board's budget and is used exclusively for overseas budget needs. The SBC's unified giving plan, the Cooperative Program, provides about 36 percent of the budget. The balance of support comes from designated gifts,income from temporary investment of funds and endowment.

More than 302,000 people worldwide chose to be baptized in 1994 after being touched by Southern Baptist foreign mission work. It was the first time annual baptisms had ever topped 300,000 and marked a 15 percent increase over 1993's figures. The Foreign Mission Board enjoyed a net increase of 123 missionaries, the highest in almost 20 years. For the first time in its history, the total number of missionaries topped the 4,000 mark. And the number of new career missionaries exceeded 250 for the first time in seven years. 1994 saw other increases as well; more than 13,000 Southern

Baptists went overseas, a 5 percent increase over 1993; missions work began in more than 370 new cities, compared with 58 new cities in 1993; the number of new churches overseas affiliated with the FMB's missions work increased by more than 7 percent; and nearly 33,000 students, many of them median adults, were enrolled in theological education as they prepare to lead new Christians in their own countries.

Jerry A. Rankin, president of Foreign Mission Board, states, "No answer can explain the rapid growth of foreign missions apart from the hand of God. Through 1994, our Lord continued to display His great works around the world through an untold number of life-changing experiences. We are grateful for the successes and for the support of Southern Baptists in more than 40,000 congregations across our country. The FMB wants to be seen as a facilitator, a mobilizer, a coordinator for the convention as Southern Baptists are obedient to God in international missions efforts. Our vision is to be obedient to God's mission and purpose."

No. 9 **Evangelism Report**

The FRBA Evangelism Committee spent the year working with churches to provide materials and training for the "Here's Hope: Share Jesus Now" simultaneous revivals.

Many churches had Here's Hope revivals with many coming to know Christ as Savior. We believe that revival must take place among God's people if our world is to be won to Jesus Christ.

Join your Evangelism Committee as they continue to pray for revival and spiritual awakening in Granville County.

Respectfully submitted,
Kenneth L. Cavey, FRBA Evangelism dir.

No. 10 **The 1994-95 Youth Report**

On March 18, 1995 the FRBA Youth were treated to a progressive evening of entertainment and fellowship directed by Michael Capps. Michael hails from East Flat Rock, NC and is a Christian comedian and author associated with "Anything but Boring Ministries". During this event, the Youth progressed" from Providence to Enon and then finished up the program at West Oxford. Dinner and a balloon stuffing compe-

tition were highlights at Providence, a "shoe race" was held at Enon, and a finishing program was provided at West Oxford during which teens were encouraged to hold onto sound Christian values.

In May, the FRBA lost its youth director, Rev. Lee V. Coyle when he accepted a new position as pastor of Lavonia Bapt. Chr. in Mooresboro, NC. While in Mooresboro, Lee will be attending Divinity School at Gardner Webb and we wish Lee the best of all things in his new endeavors.

As we look toward the 1995-96 year both our youth and its leaders will certainly face many challenges. We will surely encounter many opportunities to expand our horizons and learn many great things together. I look forward to working with all the youth leaders and welcome with open arms any ideas you may have for activities that will demonstrate that it is okay for our Christian youth to learn and have fun at the same time.

Joey Hicks

No. 11 **Stewardship Report**

Stewardship is a vital part of Christian discipleship in the Flat River Association. Managing God's resources calls for commitment and growth through faithful giving on our part as dedicated Christians.

Paul wrote in Galatians 6:7, "Be not deceived; God is not mocked: For whatsoever a man soweth, that shall he also reap." We encourage our people to be faithful in their giving, but we also need to remind our churches to be faithful also. With this in mind, many and exciting things will unfold in our association in the future.

As Baptists and members of the Flat River Association, we enthustically support the Cooperative Program which supports more than 4,000 foreign missionaries as they serve in over 127 countries of the world. The Cooperative Program also helps us proclaim the gospel to over 167 million non-Christians in the United States.

We would like to encourage our churches to give at least ten percent of their undesignated offerings through the Cooperative Program (some of our churches are already giving close to 20% as indicated by the **Biblical Recorder** issue dated June 11, 1994).

We would also encourage our churches to give at least four percent to our local missions. We have added many new and exciting programs recently, and without a doubt, the Lord is blessing us in that respect.

A Stewardship Conference was held on May 4, 1995 in the fellowship hall at Oxford Bapt. Chr. Two conferences were offered--"Understanding and Applying Biblical Giving" was led by Ray Justice; and the other conference, "Christian Money Management", was led by Ken Batts. Rev. Justice and Rev. Batts are Stewardship consultants with the Stewardship Dept. of the Baptist State Convention of N.C. Our attendance was good and a delicious meal was provided by our Baptist State Convention.

Our stewardship work in the association will miss Bob Wainwright's leadership as he is retiring as director of missions.

Respectfully submitted,
Lucious W. Bullock, Jr.

No. 13 **Home Mission Report for 1995**

The purpose of the Home Mission Board is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

Some of the summer mission projects include the 41 youth and 5 adults from Oxford Bapt. Chr. who traveled to Kenner, LA where they conducted Backyard Bible Clubs and presented choir and handbell concerts in churches, rest homes and a housing development.

Creedmoor First served in Milford, Delaware. There were 11 youth and 4 adults who lead Bible studies for youth in a local chaurch, then held afternoon BBC's in migrant camps on two different farms in Sudlersville, Delaware.

Pleasant Grove conducted VBS and led in revival services in Pennsylvania with 26 youth and 13 adults involved in this project.

Mountain Creek had 23 youth and 9 adults involved in South West area resort ministries in campground ministries, doing puppet shows and leading in worship.

CCM volunteers, led by Virginia Tuck, held BBC's at a Trailer Park in Butner and at the Oxford Housing Development in Oxford. There were 116 children enrolled and 21 workers at the two locations.

At Mision Bautista, a group of 8 youth and two adults from Nazareth Bapt. Chr. in West New York, New Jersey, conducted VBS for 47 children and youth.

Our Delaware Youth Team conducted VBS at the Masonic Home for Children in Oxford with the help of some other volunteers. Prior to this VBS, several volunteers from the Peace's Chapel Bapt. Chr. conducted VBS for the preschool group. The total enrolment for both VBS was 97 including 45 leaders from 10 churches.

The Delaware Youth Team assisted in VBS at London Village Chapel, Magnolia, Delaware and conducted Backyard Bible Clubs in the community.

Everyone can be a part of the Home Mission Board's ministry. Many more lives may be touched if we accept the challenge to pray more and give more so that others may go with the Good News.

No. 16 **The Auditor's Report**

We have reviewed the Statement of Cash Receipts and Disbursements of the General Fund, Designated Funds and the Edwards Fund of the Flat River Baptist Association (a non-profit organization) for the years ended September 30, 1995 and 1994, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of the Flat River Baptist Association.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with the cash basis of accounting.

Winston and Williams
Certified Public Accountants

No. 17 **1995-96 Budget Promotion**

We appreciate the financial support that the association received from the churches in 1994-95. Even though we had a slight annual increase in the contributions from churches, we urge churches to consider the types of ministries and programs that the association is trying to support. The budget for 1995-96 reflects an increase of $3,143.00 primarily due to increases in building and automobile insurance and to provide additional support for the language ministry to cover decreases in funding from the Baptist State Convention. We tried to keep the budget at a level that would not cause financial restrictions on the special programs, ministries, and services offered by the association. We also established a nonrecurring budget of $500 for the Director of Missions' Search Committee. We encourage all of the churches to increase their financial contributions to support the 1995-96 budget, and we sincerely hope that churches will take advantage of the services provided by the association. Other members of the Finance Committee are: Mr. Harold Sherman, Mr. Tommy Averette, Mr. Eddie Stallings, Mrs. Lois Vaughan, Mrs. Diane Land.

Respectfully submitted,
Mr. Ray Huff, chairman

No. 19 **Honduras Mission Trip**

On April 22, 1995 a volunteer mission team of 15 men and women left for Telgucigalpa, Honduras for a week of working at Salem Bapt. Chr., which is also Salem Baptist School.

Our mission team was Rev. Bob Wainwright, FRBA director of missions and team leader; Bobby & Wanda Temple,Fellowship Chr.; Doug & Bernice Colquitt, Pleasant Grove; George & Faye Cannady, Pleasant Grove; Cramer Laws, Pleasant Grove; Brenda Jo Thompson, Corinth; and John Riggan of Island Creek.

Also, joining us from the Cullom Bapt. Assoc. were John Franklin and Jimmie Ayscue, West End Chr.; Carlton Whitby, Carey Chr.; and Roger & Lib Bibee, Central Chr.

Our goal was to help continue the work that has been ongoing at Salem since 1990 when it was started by Larry and Jean Elliott and with their vision and the help of volunteers has grown to a large growing church membership with many newly converted Christians being added to their membership. The last report I got from the Elliotts was that 20 people were baptized in the first three weeks of that month.

The school has over 200 students in grades K thru 6 and with tremendous Christian leadership.The school is expanding in enrolment and knowledge of Jesus Christ. We also have several volunteers who are sponsoring students to this school.

Our goals for the week were to build playground equipment, build a computer room and repair and upgrade computers and equipment.

We attended Sunday morning, Sunday evening and Wednesday evening services, which were really touching and inspiring. Even though we did not understand the Spanish language, we felt the presence of the Lord and enjoyed being in the company of our Honduran brothers and sisters in Christ.

We all agreed that our lives would never be the same after seeing how thankful to God the people were when by our standards have so little and being so visibly reminded of the blessing we had received and were able to share with these wonderful new friends.

Respectfully submitted,
Johnny Riggan

No. 21 **Single Adult Report**

This has been another year of growth and ministry for the Singles Ministry in Flat River Association.

We have ministered to many singles this past year. Our norman attendance numbers have not dramatically increased, but we have had many people to be touched by our work. Many people feel that we meet their needs and then they move on. There are others of us that are in for the long haul. We enjoy the support and fellowship that are a part of coming to this group on a regular basis.

We have continued to meet **every** Tuesday. The first Tuesday of the month we still have a covered dish meal. We have different speakers for each meal. These are great times for fellowship. The following Tuesday nights in each month, we meet at the associational office for Bible study. We have covered an interesting range of topics, and we have tapped the talents of many people in our Association to lead these studies. We are grateful for these people. Especially Donna Penny and Wertey Arrington, for being there to lead our Bible study. Also, Rev. Bob Wainwright's help has been crucial. We would have never come as far as we have without his assistance.

We do many things for fun, including going to plays, going out to eat, going to movies, going to parades, going to St. John's Day, the History Museum, and Pullen Park. We have also been on day trips to Williamsburg, Luray Caverns, Wilmington, and Busch Gardens.

We appreciate your support and prayers. Our ministry continues to need the support and prayers of all of you, because Singles are the largest segment of our population and the largest growing segment of our population.

Respectfully submitted,
Kathryn R. Everette

No. 22 **Church and Community Missions Report**

There were a lot of different mission projects in the Flat River Association this year. Your support has made the difference in what has been accomplished,thanks to everyone. May we work together this coming year as we have before.

Listed are some needs we have met: Sent four boxes of clothes (new and good used) to two churches in New York as requested by the pastors. Also new items to be used as gifts for Christmas and birthdays.

Sent a box of paper, pencils, pens and other school supplies asked for by a Spanish Seminary in New Jersey.

Supplied pots and pans to a mother with four children who had only a frying pan in which to cook.

Bought 98 place settings, large serving spoons and two large cooking pots for the Hispanic Mission.

Baby clothes were given to a newborn baby, so they could leave the hospital.

Men's socks were sent to a nursing home that burned in another county, after the need was brought to our attention.

Supplied birthday gifts for C.A. Dillon School and Baby Cottage at the Masonic Home for Children at Oxford.

Sent a large supply of school supplies and other needed items to Jean and Larry Elliott in Honduras.

Conducted two yard sales to raise money for two Backyard Bible Clubs for underprivileged children in July. One was held at the Twin Circle Trailer Park in Butner, with 29 children and 4 teachers.The other was held at the Housing Authority Building for several apartments. There were 87 children and 20 teachers involved. This was a wonderful hands-on ministry and we are planning another one for next year.

Last year our Christmas ministries reached over 1,300 men, women and children. We ministered to families at the Oxford Armory, Butner, Abused Homes in Henderson and Group Homes in Creedmoor. We also reached two new areas, the Central Orphanage and 69 families in West Virginia.

None of these ministries could have been done without your help. Thanks for your support and prayers.

Respectfully submitted,
Virginia Tuck

No. 23 **Hispanic Church Update Report**

This will be my last report to you since we started this project more than two years ago.The church is finished!

Thanks to all the volunteers who worked for free, and the contractors and other commercial people who provided us materials and services at reduced cost, we completed this project for only about three quarters what we budgeted. Much less than half the cost if we had it done under contract. Our 4500 square foot building came in for about $75,000--that's less than 17 dollars a square foot.

I want to thank each of you who helped through donations, hands on volunteer work or most importantly, your prayers. Special thanks are due to Gary Joe Jones,from Jones Brother Construction, who functioned as our commercial general contractor at no cost whatever, and to Jim Goldston from Goldston Lumber Company who not only sold us materials at cost but was also one of our most substantial contributors.

This was a true mission project involving every church in our association as well as loving people of every color and background. Black, whaite and Hispanic people worked in harmony side by side. Presbyterians, Methodists, Baptists and Catholics proved that the love of the Lord overcomes all minor differences.

Most of all,I want to thank and praise God for watching over us, and protecting us, while we built this structure for His honor and Glory. We suffered nothing more extreme than a few sore muscles and a few cut hands. A miracle in itself--Hallelujah!

God led me to some Scripture before we started this project. I want to share two key passages from the prophets Isaiah and Zechariah with you.

--In the last days, the Mountain of the Lord's temple will be established as chief among the mountains, it will be raised above the hills, and all nations will stream to it. Many peoples will come and say, "Come, let us go up to the mountain of the Lord, to the house of the God of Jacob. He will teach us his ways, so that we may walk in his paths." The law will go out from Zion, the word of the Lord from Jerusalem. (Isaiah 2:2-3)

--"In that day each of you will invite his neighbor to sit under his vine and fig tree, declares the Lord Almighty." (Zechariah 3:10)

The words of the one true living God and his precious Son, Jesus Christ are being taught with fervor as we invite our Hispanic neighbors to sit under our vine and fig tree and share the fruits of the Holy Spirit with us.

Praise God! And thanks to each of you!

Respectfully submitted,
Jack Berry, chm.,Hispanic Chr. Bldg. Comm.

No. 24 **Hispanic Ministry Update**

Through God's mercy and grace the Flat River Baptist Association was able to complete its fourth year in full-time ministry to the Hispanic community of Granville County

and the surrounding areas. Some highlights of the year are listed below:

-December, 1994 -Approximately 20 Hispanic families received giftss for their children through the FRBA Christmas Toy Ministry.

-February 26, 1995 -Five new converts are baptized at Fellowship Baptist Church.

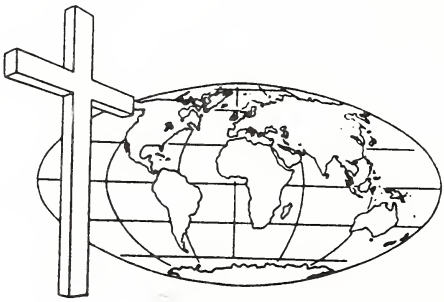
-May 28, 1995 -Dedication ceremonies are held at the new Hispanic mission site in the Culbreth Community, Enon Rd., Oxford.

-July 24-28, 1995 -Vacation Bible School is held at the Hispanic Mission, led by a mission team from Nazareth Bapt. Chr., West New York, New Jersy. Enrollment is 58.

-July 16, August 27, and September 17, 1995 -Migrant Days are held at Hispanic Mission, with average attendance exceeding 100.

The center of our activities is now the Hispanic Mission at 1551 Enon Road in Oxford. Average attendance for the year at worship services rose to 90 from last year's 83. Attendance at Bible Study increased to 30 from last year's 24. Most important, 21 professions of faith and 5 baptisms were recorded to bring our total for 4 1/2 years' efforts to 82 professions of faith and 21 baptisms.

Respectfully submitted,
Rev. Paul M. Flores, Pastor, Hispanic Mission



No. 25 **Report of FRBA Damascus Home**

Since the opening of our Flat River Baptist Association Damascus Home, God has placed many people and families at our front door for help with substance abuse problems. Since our opening we have had 18 clients in the Home which includes the six clients that are in the Home at present.

We have worked with over 50 families this past year who have needed assistance in finding places of help for their loved ones. Many of those 50 families came from churches in our Association and I am thankful that Damascus Home and the staff were available to help them in their darkest hour. So you can see, we are ministering to many more people than just the clients that stay in our Home.

We receive calls from all over the state and other states as well, with people asking for help. We have seen an increase in calls from ministers in others parts of the state since the video on Damascus Home was shown through the Baptist State Convention of North Carolina.

There are a lot of demands placed on Damascus Home for help. There have been clients and many others who received help through this Christian Home, where the love of God is taught and shown. We ask you to pray for our Home that we can keep up with the many demands that continue to come our way.

As you know, the clients pay $100 rent for room/board to offset the expenses in the Home. With the rent paid by the clients, due to the staff and other overhead to maintain the Home, we, as an Association, must continue to contribute $28,000 per year to this program to continue to administer the program. As of October 1, 1995 we have only collected $21,463.37 from the churches in our Association this year. Unfortunately our churches failed to meet our financial needs in 1994-95. The part that concerns me most is,we have only collected $8,000 since January. At the rate we are collecting funds and at the rate we are withdrawing from our Reserve Account, the Home can remain open no longer than January 1997. As you can see, one of the greatest demands we have at present is continued support from our churches so that we can continue to assist those God sends our way.

Please be in prayer for our Home, clients and staff as we strive to serve "the least of these" in Damascus Home and pray asking God if He would have your church financially support this Home. The most exciting part of all is that 4 men have accepted Christ and have been baptized.

In Christ's Service,
Rev. Don Brown

No. 26 **N.C. Baptist Foundation, Inc. Report**

Nineteen Ninety-five marks the 75th anniversary of the N. C. Baptist Foundation. The messengers presented at the Baptist State Convention meeting 75 years ago, when the establishment of the Baptist Foundation was approved, believed that the services to be provided by the Foundation could benefit both the individuals who would use its services as well as Christian purposes for which the Convention had organized many years earlier.

With a well trained and dedicated staff, the Baptist Foundation is now in position to assist any Baptist church member who has a desire to preserve their estate for their families and provide greater financial service to their church, association, missions, Baptist institutions or the Convention in its program of work.

During the past year, an area manager was employed to serve the western portion of the state. A 12-minute video, "Pillars of the Church," was prepared which shares through personal example how the Foundation can serve every church member. A copy of this video is available by request in writing to 201 Convention Drive, Cary, NC 27511 or you may borrow a copy from the associational office. Personal and confidential assistance is available by calling our office at 919/380-7334 or written request directed to the above address.

The total assets under management by the Foundation at the end of 1994 were $47,312,575. A total of $1,241,756 was paid to Baptist churches, institutions and mission causes during 1994. The amount paid to individuals from trusts, which will eventually pay to Baptist causes, was $1,499,098 during the year. During the first six months of 1995, the total performance of the charitable endowment funds under management was 15.3% (annualized).

Peggy G. Reinitz, FRBA Foundation Rep.

No. 31 **Report of The Property Committee**

The FRBA Property Committee met on June 29th at the Hispanic Mission building. They toured the building and expressed appreciation for the many volunteers and the work that had been done to make this facility available for the Hispanic ministry.

Also,at this meeting the Committee decided to recommend to the General Board that the per-mile fee on the use of the associational van be increased to 15 cents (from 10 cents) and the minimum charge be increased to $10.00 (from $5.00) to become effective Oct. 1, 1995. This recommendation was presented at the July 11th General Board meeting and was approved.

The 1985 Dodge van was sold in Nov. 1995 for $2000.00 and this amount was applied to the note on the 1994 Dodge van. There has been $6,269.37 including the above amount paid on the van note during the 1994-95 year. There is a balance due of $9,966.53 including interest and the balance is being paid off each month in the amount of $250.00.

The 1986 van is being used in our Hispanic ministry and for some local trips by churches. It has been used for 30,000 miles in Hispanic ministry during 1994-95. Creedmoor First Bapt. Chr. gave a 1988 van to the Hispanic ministry.

During the year, the vans were used by 23 churches for 58 trips with an average of 12 passengers per trip for a total of 15,848 miles. There have been 17 associational trips with 9.3 passengers per trip for a total of 4,245 miles.

Respectfully submitted,
Willis Herman, chm., FRBA Property Comm.

No. 32 **The 1994-95 Music Report**

I would like to thank the Music Departments of Tungsten, Amis Chapel and Mount Olivet for their generous help with the music for the Flat River Annual meeting this year. It is always a joy to hear from the music programs of our sister churches.

We held a meeting in March of 1995 at Delrayno concerning Copyright laws. Since that time, several churches have purchased a copyright license. This is a very important issue in churches today if you copy any material for bulletins, tape ministries, etc. If I can be of any assistance with information about obtaining a copyright license for your church, please let me know.

If your church is in need of new pew hymnals, please consider The Baptist Hymnal, copyrighted 1991. This hymnal is an excellent Praise and Worship tool, as well as a hymnal with a good variety of old and new hymns.

In closing, if you have groups in your church such as duets, quartets, small choruses, etc. that would like to make themselves available to other churches for special

occasions and funerals, please notify me and I will make these names known to other churches. This applies to accompanists as well.

I thank God for the opportunity to work with all of the Music Departments in our Association for another year.

Respectfully submitted,
Karen Brown

No. 33 **Director of Missions Address**

It has been my privilege to serve this Association for the past 22 years. In thinking about my report this year, I have looked back over reports from previous years and I want to share with you some of the things I have told you.

I want to express appreciation for the opportunity I have had to serve as your director of missions. It has been a very meaningful and rewarding time in my life. I am grateful to the many leaders in the Association that I have had the joy of serving with down through these years. Thank you for your support, encouragement and involvement.

I have encouraged you each year to look at the past years' reports and see how we have done but then to look to the future and see what God would have us do. God has given each of us a special gift and He wants us to have the freedom and to know the joy to exercise that gift. Our Baptist fellowship gives us the kind of freedom we need so that each of us can develop the unique gifts God has given us to the fullest.

The Association is and has been a strong supporter of missions and evangelism. Simultaneous revivals, every five years, have been shared in by many of our churches. We begin giving every person in our nation and the world an opportunity to hear the Gospel by making sure that every person in every community in our Association is confronted with the Gospel. We need to explore other ways in addition to revival meetings to share the Good News of Jesus Christ with people in our day. Some of our churches are reaching out in new and innovative ways. Each church has to decide what works best for them and what God would have them do. There is a great diversity among our churches. We can use this to reach people.

As an Association we have been involved in many varied mission projects over the years from resort ministry at Hibernia Campground to Delaware and Honduras Mission trips.

One of our goals has been to encourage individual churches to take on mission projects of their own and many have done that. For example, Pleasant Grove will have the Marydel pastor preach Homecoming. Invite people to come so you can learn about ministries.

To undergird everything we do, we need every church to do its fair share in support of our ministries. Every church giving on a percentage basis is the best way to do that. Four percent of undesignated offerings is the goal that our Finance Committee has recommended our churches to work towards. The Association is all the churches. About one-third of our churches use a true percentage to figure their contributions to the Association. These are the churches that have shown a good increase in their support of our shared ministries. They should not be expected to carry more than theier fair share of the load. If your church is not contributing on a percentage basis, that is probably what is taking place. When we use the percentage basis to make the decision about our gifts to missions, both Association and Cooperative Program, we give according to how God has blessed us and our size or numbers don't count. I encourage you to examine your churches' giving and see if your church is being fair to your sister churches.

God has blessed our Association as together we've tried to know and do His will. Some of the ministries and projects that have been proposed have seemed by some to be too much and impossible for us to do. Some have disagreed and felt that it couldn't be done. And that's okay. We need the information and balance that comes when people see things in different ways but still are able to work together to do ministry that we cannot do separately.

But we must continue to dream because a dreas by its very nature is about the future. What new dreams do we have to share God's love with a lost and dying world?

One of the really sad stories in the Old Testament is found in the 13th Chapter of Numbers. After God had brought the children of Israel out of Egypt with mighty and wonderous signs, they rebelled against Him and would not enter the promised land. There were giants in the land! To enter the promised land had been their dream but they refused to act on their dream and that generation died in the wilderness.

There are many today who prefer to stay with that which is familiar and 'safe" rather than act on the dream. I want to challenge you as an Association to continue to dream and to act on your dreams, to look for those new areas of mini-

stries to expand God's Kingdom, to seek out the lonely, the lost and the least.

It is only as we continue to share the dream, going where God leads us, in spite of our fears of giants in the land, that God will bless us and use us to bless others.

I plan to keep on going and doing missions here and in other places. I urge you to become personally involved in the way that God leads you.

Robert H. Wainwright

No. 34 **Resolutions Committee Report**

Whereas the 202nd Annual Session of the Flat River Baptist Association comes to a close, your Resolution Committee offers the following resolutions:

Be it resolved

That we express our overflowing gratitude to the Tungsten Baptist Church and their pastor, Rev. Sam Brewer; and to the Mount Olivet Baptist Church and their pastor, Rev. Carl Hunter, for providing graciously and adequately for our Annual Session by making every possible provision for our comfort and convenience.

Be it resolved

That we encourage our churches to give four percent of their undesignated receipts to the work of the Flat River Baptist Association.

Be it resolved

That we express our deep appreciation to Bob and Betty Wainwright for 22 years of faithful and dedicated service to the Flat River Baptist Association.

Be it resolved

That we express our appreciation to Mr. John S. (Jack) Berry for his faithful service in serving as chairman of the Hispanic Building Committee.

Be it resolved

That we recommend that the 1995 Flat River Baptist Association Annual be dedicated to Rev. Robert Wainwright and to Mr. John S. (Jack) Berry.

Be it resolved

That we express our deep appreciation to Mrs. Gerald Rene Frazier, secretary and clerk; to Mr. Norman S. Jones, Jr., treasurer; to Mrs. Virginia Tuck, Church and Community Ministries director; and to Rev. Paul Flores, Hispanic minister, for their faithful and dedicated service to our Association.

Be it resolved

That we express gratitude to God for our moderator, Mr. Johnny Brummitt, and the many officers and committees of the Association for their faithful service during the year.

Be it resolved

That we personally covenant together to go back to our churches with renewed zeal and effort to help make the coming year more effective, taking note of our failures to achieve the heights that might have been reached if we had had more faith and more love. Even Jesus "did not many mighty works there because of their unbelief" Matthew 13:58. We praise Him for overcoming our weakness with His undergirding strength and bringing us to the successes which the reports have shown. Therefore, let us unite through prayer until we meet again.

Respectfully submitted,
FRBA Resolutions Committee

No. 35 **Baptist College/University Report for 1995**

The N. C. Baptist State Convention is 165 years old. For 161 of those years the Convention has been in the business of establishing, adopting, supporting and nurturing Baptist colleges and universities. North Carolina Baptists are known for their broad and deep commitment to Christian Higher Education. Our seven convention-related education institutions are: Campbell University, Chowan College, Gardner-Webb University, Mars Hill College,Meredith College, Wingate University and Wake Forest University. The most recently established institution is Gardner-Webb University in 1905 while the oldest Baptist support institution of higher learning is Wake Forest Universsity, established in 1834.

For 1955 the Convention's christian higher education budget is $6,000,540 or 20.41 percent of the total budget. These funds are divided among six colleges. While Wake Forest University is not in the budget, it does receive designated gifts from churches and shares in student financial aid funding through the State Missions Offering.

The 1994 enrollment in N. C. Baptist colleges and universities was 22,473 students with 4,075 graduates. Approximately 476 students were enrolled in church-related vocational studies.

Our Baptist colleges and universities continue to need our prayerful support and generous contributions to meet the challenges of a changing world.

Lenny Rogers

No. 36 **The Associational Church Media Organization Report**

The Associational Church Media Organization (TACMO) was meeting each quarter during the Flat River General Board meeting. Because of poor attendance it has gone to September and March. The attendance does not seem any better. In one of our meetings we looked at different ways Media Library Services could be expanded. Your input would certainly be appreciated.

There is a library in the associational office for your use. Help is as close as your telephone.

Respectfully submitted,
Marie Duncan, TACMO director

No. 37 **American Bible Society**

The American Bible Society was founded in 1816. It is a nonprofit organization whose purpose is to provide Scriptures in an understandable language, at an affordable price and without doctrinal comment.

The ABS is supported by individuals and churches of all denominations. They, in turn, provide Bibles and Scripture portions for use by missionaries around the world. And to do this at a little cost as possible, they cooperate with other Bible Societies in printing Bibles and Scripture portions in their own country.

There are still countless numbers who do not have the Bible in their own language. But the exciting thing is that many do, and are able to receive the message of God's love. One man who heard and received the Word said, "I love the Bible and whenever I have the opportunity to tell others how much it means to me, I am always happy to do."

More than 3 billion people have yet to own a Bible. Over one-half of the people in Russia do not have a Bible. The number of believers in Chine who have never had a Bible of their own is staggering - and growing every day. "And the demand in Africa is double what we have been able to meet."

Scriptures must be made available to these millions who are eagerly seeking His Word. For as little as $4.00 a month you can extend your reach by provididng Bibles desperately

needed. As a member of the Bible-a-Month Club,you can share God's Word with people in every nation who long to read the Scriptures in their own languages.

Resspectfully submitted,
Mrs. Mertie B. Davis

No. 38 **The Biblical Recorder Report, 1995**

The headlines each day often include Southern Baptists. The Biblical Recorder tells the whole story--the many positive things people are doing in their churches along with the negative issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 162 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth.

In informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspiration articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed. With all the stress and disturbance in the world, "The North Carolina Baptist Way" has become even more important to us than ever before.

That is why the Recorder was born;that is why it serves today. For more information on how your church can subscribe or use CNS (Church News Service), contact: The Biblical Recorder, 232 West Millbrook St., Raleigh NC 27609 or call 919/847-2127.

No. 39 **1995 Report:Baptist Children's Homes of N. C.**

Believing in children and families, offering light to pierce their darkness has been Baptist Children's Homes' goal since its beginning 110 years ago.

Serving 1,513 children and families in 1993-94 in 12 facilities across the state, BCH provides intentionalized programs of residential group care, emergency care, therapeutic camping, maternity care, teenage mother/babies,model day care and behavioral change for girls.

Commemorating 110 years of ministry, BCH published *Intent to Serve*,a history depicting the last decade of BCH's child-centered, family-focused services. Each church was to receive a complimentary copy in the Fall of 1995.

Adding to the light, Baptist churches, through the Cooperative Program, designated gifts and the Thanksgiving Offering funded about one-fourth of BCH's $12 million budget with gifts totaling $2,934,304.

Trustee Jim Goldston held his sixth annual Goldston's Carnival for Children raising $28,633 and providing two fun-packed days of rides,games,entertainment and food for children and area residents. "There is nothing more important in this life than children," said Goldston. "This is just one thing we can do to show our commitment, to put our feet to our prayers."

Trustees, intent on strengthening BCH's leadership position and continuing its tradition of giving light to families and children, approved a $10.1 million campaign, "Light Their Way," to raise money for special projects,operational needs and endowment. The campaign will run September 1995 - May 1997.

Because of Baptists' support, BCH is able to "Light Their Way," offering hope, security and love.

No. 40 **Report of the Baptist Retirement Homes of N.C.**

As a result of the wonderful support given by North Carolina Baptists, 1995 will be remembered as one of the finest years in the 44 years history of the Baptist Retirement Homes of N. C., Inc. Here are some highlights:

In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirement Homes hired Luther Osment of Sylvia, N.C. as its first full-time Chaplain.

Reaffirming its commitment to the idea that retirement should be a "step up" for Older Adults, the final phase of the renovation of the Taylor House facility in Albemarle was in the Fall of 1995. The renovation of the Hamilton Baptist Home in Martin County was also begun in 1995 and hopefully will be completed by year end.

The Young Solarium was completed in the Fall of 1995 and will house a new small-group program designed to enhance the quality of life experienced by institutionalized Older Adults suffering from dementia (47% of the "oldest old" in North Carolina suffer from some form of dementia).

In an effort to provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem. This is a unit where frail Older Adults can receive IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

Baptist Homes staff and other very important leaders are seeking new and better ways to make life for Older Adults...The Best of Times! Thank you N. C. Baptists.

Annie L. Herman

No. 41 **The Annuity Program**

Is your church and is the association a responsible employer? Retirement planning is important. The time to start is NOW.

Most young Baptist ministers and church/association staff members don't think much about retirement. They think life is in front of them and that retirement seems a million years away. It is closer than you think.

Many churches don't think much about ministers' retirement either. Instead, often they provide the minister a lump sum "package" that includes salary, housing and car allowance, insurance, etc. The minister may put part of that money into a retirement program. Or he may spend the money now.

Responsible employers don't give employees that option. Retirement is simply a condition of employment.

Now is the time for your church to begin providing a retirement plan or to consider upgrading your participation in retirement planning for your minister, staff and employees.

No. 42 **Delaware Mission Team Report**

The 1995 FRBA Youth Team on Mission to Delaware was comprised of eleven youth and three adults as chaperones. These were: Anne Marie Montague, Bullock Chr.; Lyn Bailey, Ginger Ellington, Dawn McGarr and Michael McGarr from the Concord Chr.; Amy Ellixson, Florence Avenue Chr.; Jennifer Anne Blackwell and Leslie Currin, Mountain Creek Chr.; Kelly Jones, Sharon Chr.; William Coley, Stovall Chr.; Danielle Hart, Tabbs Creek Chr.; Ginny Youngs, Robert and Martha Garrett from the Oxford Chr.

The team began its formative process in May, 1995 with the help of Ken and Bridget Cavey (pastor & wife of Enon Chr.) who were chaperones from the previous year. The FRBA dom, Rev. Bob Wainwright, was also instrumental in all phases of preparing for the trip. The group exhibited much enthusiasm, creativity, and the gift of administrative organization as they planned lessons and activities.

From July 24-27, 1995, the mission team assisted the VBS efforts at The Masonic Homes for Children at Oxford (the Oxford Orphanage). This provided us a challenging opportunity to fine tune and refine activities planned for the trip to Delaware. The group did an excellent job of relating to these children and helping teach them of God's love, by living it out.

The team left for Delaware early on Sunday, August 6th, following an inspirational worship time. We arrived in the Dover, Delaware area shortly after the scheduled opening of the first night of VBS at London Village Baptist Church. Backyard Bible Clubs were conducted at two sites Monday - Thursday mornings from 10 am-Noon. The mobile home park directly in front of the church had a good turnout daily. Many of those children came to VBS at the church each evening and are well known to the church. The other site had poor attendance with a lower percentage of the children participating in the church. A concern here from their reports, was that parents did not feel the neighborhood was safe. Although there was never evidence of overt threat to us, this consideration needs to be a matter of prayer for future teams.

Evening VBS classes had a full contingent of competent adult church members teaching every age group except for the youth and nursery, which were led by team members or chaperones or both. VBS was well attended nightly. The final evening on Thursday, August 10, 1995, was culminated by a musical completely organized and conducted by church members and VBS students without the involvement of the team.

It is strongly felt that FRBA leadership evaluate with Pastor Dallas Green and Delaware associational representatives the needs of London Village Baptist Church and their community. This area clearly holds many challenges. It seems clear that the church has adequate numbers of adults to lead and teach without the assistance of a mission team. Much prayer needs to be devoted to discerning the best way for the FRBA to best assist this church and community.

The associational mission team provided invaluable opportunity for youth from congregations of all size to explore and discover their best spiritual gifts and strengths. We hope Flat River Baptist Association will continue to send out mission teams of youth for years to come. We do recommend that careful consideration be given to the question of where a youth mission team can best be utilized.

Robert and Marsha Garrett

UPDATED HISTORY OF BULLOCK BAPTIST CHURCH

A group of Baptists in the village of Bullock were meeting in the public school building for Sunday School and prayer meeting. On July 16, 1904 in a special called meeting the Bullock Baptist Church came into existence. B.T. Hicks was elected moderator and J.G. Pittard was elected secretary. The church covenant and rules of decorum were read and approved. From the 21 charter members, B.T. Hicks and W.B. Royster were selected as deacons.

The first pastor, Rev. R.H. Marsh was called at an annual salary of $125. He immediately led the church to adopt "a plan to collect money for benevolent purposes".

Plans were soon under way to build a church house on a lot donated by J.G. Pittard at an estimated cost of $750. Of this amount, $248.00 was immediately subscribed.

At its regular meeting in May 1905 the Lord's Supper was observed and a regular time for this observance was established. This same year the church applied to the Flat River Baptist Association for membership and was received.

The church was nearing completion and was being used for church services. Thanksgiving Day, 1906, dedication services were held, the church was completed and debt free.

Some evidences of continuing growth were: gifts to missionary and benevolent causes, regular worship services, "protracted meetings", growth in membership, adoption of the budget plan of finance, addition of Sunday School rooms, a Baptistry and enlarging the main building. The church accepted their quota of the Seventy-Five Million Campaign, organized a B.Y.P.U., a W.M.U., and a Home Department.

James Pittard Davis was licensed to preach and went on to become a pastor. Pauline Pittard Gillespie and her husband, Arthur Gillespie, served as missionaries to China under the Foreign Mission Board.

UPDATED HISTORY OF OXFORD BAPTIST CHURCH

Oxford Baptist Church will celebrate its 150th birthday in 1998. The Rev. R.I. Devin inaugurated Baptist work in the town of Oxford and on September 2, 1848, Oxford Baptist Church was organized with a charter membership of fifteen - four men and eleven women. The site of the first church building was located on Front Street. Nearly fifty years after its organization, the church had outgrown its first building, and on March 29, 1892 the church purchased land on the corner of Main and Spring Streets. Construction began soon after, but before it could be completed, economic depression forced the cessation of the work. The unfinished building sat for nearly three years when on the promise of funds from one member work began again. On August 2, 1896, Rev. J.S. Hardaway presided over the first service in the second home of Oxford Baptist Church.

Continued growth found the congregation planning to build a new building on the same site just twenty-five years later. Construction on this facility began in 1925 and was completed in 1928. In 1968, Oxford Baptist purchased the post office building located next to the present facility and converted it to space for youth education and the pastor's study.

Now on the threshold of our 150th anniversary, Oxford Baptist Church is undertaking a capital stewardship campaign with the goal of raising funds to build a new facility to be located between the present two buildings. This new facility will connect the present buildings together and provide access to all with an elevator. It will contain centrally located administrative offices, a new fellowship

hall and kitchen facilities, a church parlor, and Sunday School rooms. As God has provided for Oxford Baptist in the past, His hand will guide its members through this new phase of growth and opportunity. Under the able leadership of the present pastor, Dr. J. Stephen Bolton, this venture is the next step for fulfilling God's vision for Oxford Baptist Church.
